SPECIFICATIONS FOR YEAR 2019 DECALS FOR COIN-OPERATED AMUSEMENT MACHINES

Description:	Plastic coin-operated machine occupation tax receipt decal (sample attached). This decal shall be of such a nature that the word 'VOID' will appear if one attempts to remove it.
Quantity:	25,000
Size:	2 x 2 inch die cut design (see attached sample).
Color	Black ink on shade of orange background; number in black on shade of orange background using the Pantone Matching Color System - Pantone XG Orange C (#ff6d00)
Numbers:	Consecutively numbered (00001-25,000) See attached for per sheet decal numbering sequence.
Decal Dates:	The date surrounding the City Seal should read 2019; the expiration date is December 31, 2019 (see attached sample).
Packaging:	8 ½' x 11' sheets, perforated for separation by decal printed in numerical order and stacked sequentially; loosely banded in sets of 25 sheets with 10 decals per sheet. Each box labeled in chronological order.
Delivery:	On or before June 1, 2018.
Decals:	Used for the exterior of dimpled surfaces and bare or painted metal, vitreous enamel, glass and painted wood surfaces.
Material:	The decals shall be manufactured from destructible sheeting. It shall have a top-coated tamper-evident metallic silver polyester film that leaves behind a void pattern. Decals shall be coated with a permanent pressure sensitive acrylic adhesive and backed with a two-side poly-coated lay flat release liner. Prior to bidding, perspective vendors must submit a sample(s) of the product to be used to the City of Houston to confirm feasibility.
Adhesive:	The adhesive on the back of the decals shall be of a special formulated pressure sensitive adhesive which requires no water, solvent or other wetting agent for activation. The adhesive shall be of permanent type as not to be affected by heat or cold. The adhesive bond shall remain permanent for a period of one year after application.
Liner:	The pressure sensitive adhesive shall have a protective liner placed over it, which will also serve as a carrier sheet. It shall be an easy-release type and shall be removed by peeling without the use of water or other solvents. The liner shall be of material and thickness to allow easy visualization of the numbers on the face of the decals.
Application:	The decal can be quickly and effectively applied after removal of the protective liner.
Inks:	Sun resistant ink that will remain legible for a period of one year after application shall be used on all printing and design work on the face of the decals.
Destructibility:	The decals must withstand tests of destructibility after application. The decals shall attain such a tight bond to the surface that it will remain affixed until it is intentionally or manually removed. If an attempt is made to remove the decal from the application surface, it shall be destroyed through tearing or distortion and it shall be of such a nature that a pattern of the word 'VOID' will appear.
Security:	Decals have a monetary value and the bidder must take every precaution to protect them from all hazards. Proper security measures and adequate supervision must be provided to assure that all decals printed are delivered and that only one copy of each decal will be produced.

Information below is intended solely to match a description to the PMS color. It is not intended for distribution with the bid specifications.
