MOTION NO. 2009 0843

MOTION by Council Member Khan that the recommendation of the Purchasing Agent, for Spending Authority to Lease High-Speed Document Printers and Associated Accessories from the State of Texas Procurement and Support Services Contract (TPASS) for the Houston Police Department, S17-H23485, be adopted, and authority is hereby given to issue purchase orders for 60-month term to the State contract vendor, Xerox Corporation, in an amount not to exceed $969,871.12.

Seconded by Council Member Green and carried.

Vice Mayor Pro Tem Lovell, Council Members Lawrence, Johnson, Sullivan, Khan, Holm, Gonzalez, Rodriguez, Brown, Noriega, Green and Jones voting aye
Nays none
Mayor White absent
Vice Mayor Pro Tem Lovell presiding

Council Member Clutterbuck out of the city on city business

Council Member Adams absent on personal business

PASSED AND ADOPTED this 18th day of November, 2009.

Pursuant to Article VI, Section 6 of the City Charter, the effective date of the foregoing motion is November 24, 2009.

Anna Russell
City Secretary

REQUEST FOR COUNCIL ACTION

TO: Mayor via City Secretary

RCA# 8548

Subject: Approve Spending Authority to Lease High-Speed Document Printers and Associated Accessories from the State of Texas Procurement and Support Services Contract for the Houston Police Department S17-H23485	Category # 4	Page 1 of 1	Agenda Item 22

FROM (Department or other point of origin): Calvin D. Wells, City Purchasing Agent, Administration & Regulatory Affairs Department	**Origination Date** November 05, 2009	**Agenda Date** PASSED NOV 18 2009
DIRECTOR'S SIGNATURE	**Council District(s) affected** I	CM 09-0843
For additional information contact: Joseph Fenninger JAF 11/6/09 **Phone:** (713) 308-1708; Douglas Moore **Phone:** (832) 393-8724	**Date and Identification of prior authorizing Council Action:**	

RECOMMENDATION: (Summary)

Approve spending authority to lease high-speed document printers and associated accessories from the State of Texas Procurement and Support Services (TPASS) Contract in an amount not to exceed $969,871.12 for the Houston Police Department.

Award Amount: $969,871.12	**Finance Budget**
$969,871.12 - General Fund (1000)	

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve the spending authority to lease high-speed document printers and associated accessories from the State of Texas Procurement and Support Services (TPASS) Contract in an amount not to exceed $969,871.12 for the Houston Police Department (HPD) and that authorization be given to issue purchase orders to the State contract vendor, Xerox Corporation, for a 60-month term upon approval of City Council.

The scope of work requires the contractor to provide all labor, materials, supervision and transportation necessary to furnish and install the following three high-speed document printers: Nuvera 120, Docutech 6115, and a Xerox X700 and all associated accessories which consist of a freeflow PC, freeflow scanner, and a freeflow server. The printers will be installed at the HPD Print Shop located at 1200 Travis. Additionally, the contractor will be required to remove and dispose of all existing obsolete machinery from the premises and provide a minimum of two hours of training per operator on the usage of the printers.

The Department operates its own print shop due to the highly sensitive nature of material/information printed. The Department's investigative divisions rely on the HPD print shop for fast turnaround as well as the security it provides when printing materials relative to sting operations, ongoing investigations, promotional testing and Homeland Security. All HPD forms and bound books used at the HPD Training Academy are also printed by the HPD Print Shop. Xerox equipment is the only equipment that has the capability to tape-bind the printed books used throughout HPD. This feature saves on manpower and provides for a rapid turnaround time while producing a professional-looking product.

Sections 271.081 through 271.083 of the Texas Local Government Code provide the legal authority for local governments to participate in the State of Texas Purchasing Program.

Rebates: Pursuant to Texas Government Code § 2155.510(b), rebates generated from TXMAS contract purchases made using federal funds must be reported to the federal funding agency for reporting and reconciliation purchases. Each quarter of the State's fiscal year, TXMAS contractors rebate .75% of their TXMAS sales to the State of Texas via the Texas Comptroller of Public Accounts (CPA). It is the purchasing entity's responsibility to report the amount of rebate using the above percent based on the total dollar value of the TXMAS purchase order.

Example: A purchasing entity receives and uses federal funds of $50,000 to purchase items/services on a TXMAS contract. The purchasing entity must report to the federal fund-provider that a sales rebate of $375 ($50,000 * .75% = $375) will be paid to the State of Texas by the TXMAS contractor.

Effective Date: This Texas Multiple Award Schedule (TXMAS) contract is effective beginning 8/1/2002 through 9/30/2011 and is automatically renewed on the date that the General Services Administration (GSA) exercises the renewal option. All State of Texas terms and conditions will continue and apply to all renewal periods by mutual agreement. The contractor has certified that the prices reflected in the contractor's catalog are the same as the prices contained in the most current modification to GSA Contract No. GS-25F-0062L.

Placement of Orders: Purchasing entities must use both the instructions on the contractor's web page and the terms and conditions in the federal supply schedule to place orders. Purchasing entities may use a either a departmental purchase order or the contractor's on-line ordering system to place orders. Purchasing entities may opt out of using the contractor's on-line ordering system if it is incompatible with the entity's purchasing procedures. The contractor is not required to accept orders below the minimum listed below. Orders between the minimum and maximum listed below are subject to GSA preferred customer pricing. For orders above the maximum, purchasing entities are entitled to negotiate for lower prices than those listed on the on-line federal supply schedule price list.

Order Limitation:
Minimum Order: $50
Maximum Order: $750,000

Approved Products/Services: Only products or services listed in the CPA approved GSA contract may be purchased from this TXMAS contract, with one exception. Incidental, off-schedule items may be purchased as "best value, open market" items provided that they are necessary for product integration or product completeness. The purchasing entity is responsible for ensuring that the quoted price for such incidental items is fair and reasonable. These incidental items may be added to the TXMAS purchase order if they are clearly labeled as "open market (OM), best value" items.

State Contracts: All Texas Council for Purchasing from People with Disabilities contracts and Texas Correctional Industries (TCI) term contracts take precedence over this TXMAS contract. If similar products or services are listed on this TXMAS contract and a CPA term contract, a determination should be made that will result in a best value purchase.

Payment Due Date: Payment will be due on the thirtieth (30) calendar day after the later of: (a) the date the State actually receives a proper invoice at the office designated in the applicable purchase order to receive it; or (b) the date the State accepts the products or services. The post mark date on the envelope for the State warrant (State's equivalent to a check) or banking information showing when a direct deposit transaction was received will be considered the date payment is made. Interest starts accruing on the first day that payment is late. The rate of interest for late payments is set at one percent per month.

Special Note: The State of Texas, including but not limited to its Agencies, cooperative purchasing members and any local governmental entity authorized by law to use the Texas Multiple Award Schedule method for purchasing is not obligated to procure any products or services from this TXMAS contract. This schedule contract shall not be construed to prevent the State from purchasing products or services using other procurement methods as authorized by law.

STATE OF TEXAS
TEXAS BUILDING AND PROCUREMENT COMMISSION
TEXAS MULTIPLE AWARD SCHEDULE (TXMAS)

THIS CONTRACT is by and between the STATE OF TEXAS ("State") acting through The TEXAS BUILDING & PROCUREMENT COMMISSION ("TBPC"), with offices at 1711 San Jacinto Boulevard, Austin, Texas 78701 and Xerox Corp ("Contractor") with offices at 6836 Austin Center Blvd Suite 300

1. BACKGROUND:

The Contractor has entered into a contract with the Federal Government under the Federal Government's Supply Schedule Contract Program administered by the General Services Administration ("GSA"). That program allows a contractor and the GSA to negotiate in advance of actual purchases the terms and conditions under which a contractor will supply goods or services to the Federal Government. Such a Federal schedule contract is not a commitment to purchase any goods or services; it is only a convenient way to do so should a Federal agency so choose during the contract's term.

The Texas Building and Procurement Commission has also determined that the Contractor's Federal schedule contract offers goods or services that may be of interest to various state agencies and has therefore decided to use the Contractor's Federal contract as a basis for a state multiple award schedule contract with the Contractor. It is recognized that prices reflected on GSA schedule contracts are most favored customer prices and are maximum prices. A State Agency or Local Government may negotiate a lower price for goods and services listed on a schedule contract. This state multiple award schedule contract (the "Contract") establishes terms and conditions under which a state agency may acquire the Contractor's goods or services, but it in no manner obligates any state agency to do so.

TERMS & CONDITIONS

2. COMPOSITION OF CONTRACT:

This Contract consists of the terms of the Contractor's Federal Schedule Contract, Number GS-35F-0062L (the "Federal Schedule Contract" or "Schedule Contract"), as amended by this Contract (*see paragraph 30 "ENTIRE AGREEMENT"*). The Contractor's Schedule Contract consists of all the documents and materials incorporated in that agreement with the Federal Government. Those documents include, among possible others, the Federal Government's original solicitation, the Contractor's offer to the Federal Government, with amendments, the Contractor's best and final offer letter, the final award, and the Contractor's most current version of its Authorized Schedule Price

List. Additionally, all representations, clarifications, and certifications submitted by the Contractor as a part of that contracting process are also included. And it includes any laws, regulations, documents, guidelines, and other materials incorporated by reference in the Contractor's Schedule Contract, including all Federal Acquisition Regulation (FAR), Defense Federal Acquisition Regulation (DFAR), Federal Information Processing Standards Publication (FIPS PUB), Federal Standards (FED-STD) and United States Code (USC) provisions, among others. By way of example, such would include all cited FAR and DFAR provisions relating to warranties, liabilities, and rights in data, and the GSA's Price Reduction Clause, among others.

3. CERTIFICATION OF ACCURACY:

The Contractor hereby certifies that all copies of the Contractor's Authorized Schedule Price List that were submitted to the State as part of the negotiation of this Contract are true, correct, current, and complete copies of that Price List. The Contractor further represents and warrants that all future Price Lists submitted to revise this Contract will also be true, correct, current, and complete copies of the then-current Price List under the Contractor's then-current Federal Contract.

4. FEDERAL REPRESENTATIONS:

The Contractor warrants that all certifications and representations made to the Federal Government as a basis for obtaining or as a part of its GSA Schedule Contract were and still are true and accurate. The Contractor further agrees that such representations are a basis for the State entering into this Contract and that such representation and certifications inure to the State's benefit.

5. FUTURE NOTICE:

The Contractor acknowledges that any continuing obligation to notify the Federal Government of changes affecting its GSA Schedule Contract, including by way of example, notices required under the price reduction provisions of its Schedule Contract, must be provided in the same manner to the State. The State's rights under those notices will be the same as the rights of the Federal Government. Additionally, the Contractor agrees to notify the State within thirty (30) calendar days of all changes in the status of or amendments to its Federal Schedule Contract.

6. PARTIES TO THE CONTRACT:

(a) For purposes of this Contract, all references to "Government," "Federal Government," "GSA," or similar terms meaning the Federal Government in the Contractor's Schedule Contract will mean the "State." And references to the "Contracting Officer" will mean the State representative, or their successor or designee, who signed this Contract on behalf of the State. Additionally, for purposes of this Contract, all rights and obligations of the Contractor and the Federal Government under the Contractor's Schedule Contract, except to the extent that such would create an absurdity, or are otherwise clearly inappropriate, or would violate state or federal law, will be rights and obligations between the Contractor and the State.

(b) This Contract may be relied on by any "State Agency" as defined under section 2251.001(8) of the Texas Government Code and any "Local Government" as defined under section 271.101 of the Texas Local Government Code. Whenever a Local Government relies upon this Contract to issue a purchase order, the Local Government will step into the shoes of the State under this Contract. Any order placed by a Local Government under this contract will be between the Contractor and the Local Government. The Contractor will look solely to the Local Government for performance, including but not limited to payment, and will hold the State harmless with regard to such orders. The State, however, will have the right to terminate this Contract and seek such remedies on termination as this Contract provides should the Contractor fail to honor its obligations under an order from a Local Government.

(c) Nothing in this Contract requires the Contractor to accept an order from a Local Government where the Contractor reasonably believes that the Local Government is or will be unable to perform its obligations in relation to that order.

7. SPECIFIC CHANGES TO PROVISIONS INCLUDED IN CONTRACTOR'S SCHEDULE CONTRACT:

The State and the Contractor agree to the following changes to specific provisions of the Contractor's Federal Schedule Contract, notwithstanding anything to the contrary contained in the Contractor's Federal Contract:

(a) All equipment will be new and all replacement parts will be new.

(b) The ordering and payment addresses under this Contract will be those contained in the Contractor's offer letter to the State.

(c) Payments and invoicing will be done according to the terms discussed under paragraph 12 "PAYMENT DUE DATE" and paragraph 13 "INVOICE REQUIREMENTS", below.

(d) All shipping of equipment under warranty for repairs will be at the Contractor's expense.

(e) All references to hours of the day will be deemed to be references to Central Standard/Daylight Time.

(f) The State will not purchase goods or services for overseas delivery, or provide the Contractor with overseas support.

(g) The Contractor will not offer to the State any products that are not Year 2000 compliant. All such items listed in the Contractor's Authorized Price List are deleted for purposes of the State.

(h) As this Contract refers to a GSA schedule contract for convenience, orders under this Contract are not orders under the GSA schedule program. Therefore, the federal supply schedules for blanket purchase agreements, contractor team arrangements and purchase of incidental, non-schedule items, are not applicable to this Contract.

(i) Those terms and conditions of the Contractor's offering documentation not specifically referenced by the Amendments delineated under this heading shall remain unchanged.

8. CONTRACTOR QUARTERLY SALES REPORT:

(a) The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales under this Contract by calendar quarter (i.e., January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the schedule user for the products and services on a schedule contract task or delivery order, as recorded by the Contractor.

(b) The Contractor shall be required to report the quarterly dollar value of sales to the State electronically in a format provided by TBPC (see Attachment A). If no sales occur, the Contractor must show zero. The report must be submitted

within thirty (30) calendar days following the completion of the reporting period.

(c) The Contractor shall also submit a closeout report within one hundred and twenty (120) calendar days after the expiration of this Contract. The contract expires upon the physical completion of the last, outstanding task or delivery order of the Contract. The closeout report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero (0) sales in the closeout report.

The Contractor must submit the Quarterly Sales Report electronically to the following e-mail address:

txmas@tbpc.state.tx.us

or a diskette to the following address:

Texas Building and Procurement Commission
Texas Multiple Award Schedule Unit
P.O. Box 13047
Austin, TX 78711-3047

(d) If the Contractor fails to submit sales reports, falsifies sales reports or fails to submit sales reports in a timely manner the State may terminate or cancel this Contract in accordance with paragraph 18 "CANCELLATION".

9. DISTRIBUTORS:

(a) The State authorizes the Contractor to name one or more dealers to work with the State on behalf of the Contractor. But if the Contractor decides to use any dealers, the Contractor must submit the name, address, and telephone number of any such dealer, as well as the dealer's purchase order and payment address(es), Federal Employer's Identification number (FEI) and Dun and Bradstreet (DUNS) number if available. The Contractor must also submit a completed W9 form for each dealer it wishes to name under this section. The Contractor's submission must be on its official letterhead, signed by an authorized representative, and addressed to the Director of Procurement. In doing so, the Contractor warrants that:

(1) The dealer has been given a copy of this Contract, and a duly authorized representative of the dealer has agreed, in writing to be bound by the terms and conditions in this Contract.
(2) Such agreement specifically provides that it is for the benefit of the State as well as the Contractor.
(3) The Contractor agrees to remain liable under this Contract for any failure of the dealer to perform and any breach of the dealer under this Contract.
(4) Payments under this Contract for the services of any dealer may be made directly to that dealer, and the Contractor will look solely to the dealer for any payments due the Contractor once the State has paid the dealer.
(5) To the extent that there is any liability to the State arising from doing business with a dealer that has not signed the agreement required under this section with the Contractor, the Contractor will indemnify the State for such liability.

(b) If the Contractor wants to designate a dealer that will not receive payments (a "distributor"), the Contractor may do so by identifying the person or organization as a distributor in the authorizing letter. One or more distributors may be identified in the authorizing letter. In such cases, information regarding taxpayer identification and payment addressing may be omitted, as may the distributor's W9 form and DUNS number. All other requirements and obligations for designating a dealer apply to designating a distributor.

10. POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS):

(a) In accordance with the Texas Government Code, Sections 2161.181-182 and section 111.11 of the Texas Administrative Code (TAC), state agencies shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction, services, including professional and consulting services and commodities contracts. The Texas Building and Procurement Commission (TBPC) HUB Rules, 1 TAC 111.11-111.28 encourages the use of HUBs by implementing these policies through race-ethnic-and gender-neutral means.

(b) The purpose of the HUB Program is to promote full and equal business opportunities for all businesses in State contracting in accordance with the goals specified in the State of Texas Disparity Study:

(1) 11.9% for heavy construction other than building contracts;

(2) 26.1% for all building construction, including general contractors and operative builders contracts;
(3) 57.2% for all special trade construction contracts;
(4) 20% for professional services contracts;
(5) 33% for all other services contracts; and
(6) 12.6% for commodities contracts.

(c) Each state agency shall make a good faith effort to meet or exceed these goals and assist HUBs in receiving a portion of the total contract value of all contracts that the agency expects to award in a fiscal year.

(d) Contractors are urged to utilize Texas Certified HUBs as distributors or dealers whenever possible to promote full and equal business opportunities and assist state agencies in meeting the goals listed above. A random listing of Certified Texas HUB Vendors that are registered on the Texas Centralized Master Bidder List (CMBL) for the commodities included in the contract schedule is attached (see Attachment B). You are also strongly encouraged to make a good faith effort within the ***basic*** terms of the GSA contract and consider engaging the service of a HUB to meet your contractual obligation in Texas. ***The attached TXMAS HUB Good Faith Effort Certification must be completed and returned with this document (see Attachment C).***

11. LIMITATION OF LIABILITY:

THE PARTIES AGREE THAT IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE PARTIES HAD BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

12. PAYMENT DUE DATE:

(a) Except as provided for in section 2251.021(b) Texas Government Code payment by a State Agency or Local Government is due within thirty (30) calendar days after the later of:

(1) the date the State Agency or Local Government receives the goods under the contract;
(2) the date the State Agency or Local Government receives a proper invoice (*see paragraph 13 "INVOICE REQUIREMENTS"*) for the goods or services; or

(3) the date the performance of the service under the contact is completed

(b) Except as provided for in section 2251.021(b) Texas Government Code, a payment will begin to accrue interest at a rate of one percent a month on the 31st day after the later event described by subsections (a)(1) through (3). Interest stops accruing on the date the State Agency or Local Government mails (postmark) or electronically transmits the payment.

13. INVOICE REQUIREMENTS:

(a) The Contractor must submit an original invoice with one (1) copy to the office designated in the purchase order as the "bill to" address. To be a proper invoice, the invoice must include the following information and/or attachments:

(1) Name and address of the Contractor as designated in this Contract.

(2) The Contractor's Texas Identification Number (TIN) as designated in this Contract.
(3) The Contractor's invoice remittance address as designated in this Contract.
(4) The purchase order number authorizing the delivery of products or services.
(5) A description of what the Contractor delivered, including, as applicable, the time period, serial number, unit price, quantity, and total price of the products and services. If the invoice is for a lease, the Contractor must also include the payment number (e.g., 1 of 36).

(b) If an authorized dealer has fulfilled the purchase order, then the dealer's information should be supplied in lieu of the Contractor's information. If an invoice does not meet this section's requirements or if the Contractor fails to give proper notice of a price increase (*see paragraph 14 "NOTIFICATION OF PRICE INCREASE"*), the State will send the Contractor written notice with the improper invoice to the address designated for receipt of purchase orders within fifteen (15) calendar days after receipt of the invoice. The notice will contain a description of the defect or impropriety and any additional information the Contractor needs to correct the invoice.

14. NOTIFICATION OF PRICE INCREASES:

For price increases authorized under this contract, notification of such must be given to the TBPC and to the purchase order "bill to" address contained in the applicable purchase order(s) for any orders affected by the increase (e.g., existing leases, licenses, or annual maintenance programs). The Contractor must give these notices no later than thirty (30) calendar days before the effective date of the price increase. This notification must specify, when applicable, the product serial number, location, current price, increased price, and applicable purchase order number.

15. NON-APPROPRIATION OF FUNDS:

The State's funds are contingent on the availability of lawful appropriations by the Texas Legislature. If the Texas Legislature fails to continue funding for the payments due under an order referencing this Contract, the order will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments.

16. PUBLIC INFORMATION:

Pursuant to Texas Government Code, Chapter 552, The Public Information Act, all information in the possession of the Texas Building and Procurement Commission is subject to disclosure in accordance with the provisions of the act.

17. TAXES:

The State is exempt from all state and local taxes and does not agree to pay any taxes.

18. CANCELLATION:

The State or the Contractor may cancel this Contract without cause on thirty (30) calendar days written notice. But, in the case of any lease of goods or services or any license of software or other intangible property entered into before the effective date of the termination, the State will have the right to continue such lease or license after termination on the same terms.

19. AUTOMATIC RENEWAL:

This contract is automatically renewed on the date that GSA exercises the renewal option. All State of Texas terms and conditions will continue and apply to all renewal periods unless modified by mutual agreement.

20. DELIVERIES: All deliveries will be F.O.B. Destination.

21. EQUAL EMPLOYMENT OPPORTUNITY:

The Contractor will comply with all Texas laws regarding equal opportunity employment opportunity.

22. DRUG FREE WORKPLACE:

The Contractor will make a good faith effort to ensure that none of its employees are under the influence of or possess illegal drugs or alcohol or abuse prescription drugs while they are on State property.

23. CONTRACTOR AFFIRMATIONS:

(a) The Contractor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted contract.

(b) Contractor hereby assigns to purchaser any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States 15 U.S.C.A. Section 1, et seq. (1973) as amended, and the Texas Free Enterprise and Antitrust Act of 1983, Tex. Bus. & Comm. Code Sec. 15.01, et seq. (1983).

(c) Neither the contractor nor the firm, corporation, partnership, or institution represented by the contractor, or anyone acting for such firm, corporation or institution has violated the antitrust laws of this State or Federal Antitrust laws, (see item b, above)

(d) Pursuant to Texas Family Code 231.006 (d), (relating to child support), the Contractor certifies that the individuals or business entity named in this

contract is not ineligible to receive the specified payment and acknowledges that this contract may be terminated and/or payment may be withheld if the certification is inaccurate.

(e) Pursuant to section 2155.004 Texas Government Code re: collection of state and local sales and use taxes, the Contractor certifies that the individual or business entity named in this contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and/or payment withheld if this certification is inaccurate.

(f) The Contractor shall defend, indemnify, and hold harmless the State of Texas, all of its officers, agents and employees from and against all claims, actions, suits, demands, proceedings, costs, damages, and liabilities, arising out of, connected with, or resulting from any acts or omissions of contractor or any agent, employee, subcontractor, or supplier of contractor in the execution or performance of this contract.

(g) Contractor agrees that any payments due under this contract will be applied towards any debt, including but not limited to delinquent taxes and child support that is owed to the state of Texas.

(h) Contractor certifies that they are in compliance with section 669.003 of the Texas Government Code, relating to contracting with executive head of a state agency. If section 669.003 applies, vendor will complete the following information in order for the offer to be evaluated:

Name of Former executive: _____

Name of State Agency: _____

Date of separation from State Agency: _____

Position with Contractor: _____

Date of Employment with Contractor: _____

24. PUBLICITY:

The Contractor will not advertise that it is doing business with the State or use this Contract as a marketing or sales tool without the prior, written consent of the State.

25. TRAINING REQUIREMENTS:

The Contractor will send as a minimum one corporate representative and one dealer/distributor representative from each authorized dealer/distributor for training on TXMAS procedures prior to receiving award of a TXMAS contract. The TXMAS Unit in Austin, Texas will provide training. Training dates, location and times will be coordinated with the TXMAS Unit.

26. TRAVEL EXPENSES:

Any travel or per diem required by the Contractor to do its obligations under this Contract will be at the Contractor's expense. All travel and per diem that the State requests in addition to what this Contract requires the Contractor to provide at the Contractor's expense will be paid in accordance with State of Texas Travel Allowance Guide.

27. HEADINGS:

The headings used in this Contract are for convenience only and will not be used in interpreting this Contract.

28. ASSIGNMENT:

The Contractor will not assign this Contract without the written consent of the State.

29. ORDER OF PRIORITY:

If there is any inconsistency or conflict between this document and any provision of anything incorporated by reference, this document will prevail.

30. ENTIRE AGREEMENT:

This Contract consists of the Contractor's Schedule Contract (see Composition of Contract Section 2), this Contract document, the Contractor's State Offer Letter, and, if applicable, the Contractor's letter(s) designating dealers (and/or distributors), and any price lists or catalogs specifically mentioned elsewhere in this Contract. The foregoing constitutes the entire agreement between the parties, and any changes or modifications to this Contract must be in writing.

STATE OF TEXAS
TEXAS BUILDING AND PROCUREMENT COMMISSION
TEXAS MULTIPLE AWARD SCHEDULE (TXMAS)

31. GOVERNING LAW:

This Contract is governed by and will be construed under Texas law, and venue for any dispute will be in a court of competent jurisdiction in Travis County, Texas.

32. SEVERABILITY:

If any part of this Master Agreement shall be declared unlawful, all other provisions not affected shall remain in full force and effect

TO SHOW THEIR AGREEMENT, the parties have executed this Contract on the date(s) below and unless otherwise indicated is effective as of the date of signature by the State.

Xerox Corporation Addendum to Texas Building And Procurement Commission Texas Multiple Award Schedule (TXMAS)

This Addendum and the attached **GSA Contract GS-25F-0062L** are incorporated into the TXMAS multiple Award Schedule between The State Of **Texas Building & Procurement Commission** ("Customer") and **Xerox Corporation** ("Xerox"). If any terms and conditions of this addendum or the attached TXMAS Contract differ then those in the GSA Contract, the terms and conditions of the GSA Contract shall prevail. Please note that if any of the terms and conditions are contrary to State law or procurement policy, Xerox will negotiate a reasonable solution.

Modifications and Clarifications to the Request for Offers

Section 7, Paragraph (a):

Equipment manufacturing status shall adhere to the Terms & Conditions referenced on page 5 paragraph 5 of the attached GSA Contract GS-25F-0062L

Paragraph 28

Assignment by Contractor: Xerox is hereby providing notice that it will assign this Agreement or the Equipment, in whole or part, to a parent or subsidiary of Xerox, or to a person or entity for the purpose of securitizing a pool of assets. Xerox will provide notification upon assignment by Xerox to parties other than those stated above. Each successive assignees of Xerox shall have all the rights but none of the obligations of Xerox hereunder. Customer shall continue to look to Xerox for performance of Xerox's obligations, including the provision of Basic Services, and waive and release any assignees of Xerox from any such claim. You shall make all payments due hereunder to any assignee specified by Xerox, in accordance with the instructions of said assignee.

To Prospective Texas Multiple Award Schedule (TXMAS) Vendors

Subject: Historically Underutilized Business (HUB)
Good Faith Effort Certification

As addressed in the basic Contract Terms and Conditions, contractors are strongly encouraged to engage the services of Texas Certified HUBs as distributors or dealers whenever possible to promote full and equal business opportunities and to assist state agencies in meeting the goals specified in the State of Texas Disparity Study. The decision to utilize the services of a currently Certified Texas HUB must be based on a good faith effort and as a potential contractor you are required to show documented evidence that an active participatory role for a HUB entity was considered. Should you elect to use the services of a Minority Business Enterprise (MBE) or Disadvantaged Business Enterprise (DBE) that may be eligible for Texas Hub certification, arrangements can be made to expedite the application process.

Please answer the following questions by selecting the response that applies to your good faith effort decision. Check the appropriate response(s).

YES ☐ NO ☑ 1. Are the services of a Certified Texas HUB being utilized to perform the contract referred to in the Terms and Conditions? **

YES ☐ NO ☑ 2. Are the services of a MBE/DBE or equivalent that maybe eligible for Texas HUB certification being utilized to perform the contract referred to in the Terms and Conditions?

YES ☐ NO ☑ 3. Will a Small Business as defined by regulations of the Small Business Administration (SBA) in 13 C.F.R., Section 121.201 perform the basic contract as awarded by the General Services Administration (GSA)?

YES ☑ NO ☐ 4. Will the contract be performed by a distributor, dealer or manufacturer under existing agreements approved by GSA that do not include Small Business/MBE/DBE/HUB participation?

Note: This document will become an attachment to the Contract Terms and Conditions and is affirmed by the signature on the Contract Terms and Conditions.

** The attached randomly selected list of Certified Texas HUBs dealing in the goods and services included in this multiple award schedule contract opportunity should be considered in the selection/decision process.
