CITY OF HOUSTON

DEPARTMENT OF PUBLIC WORKS & ENGINEERING

BACK-UP POWER GENERATION

FOR

DRINKING WATER OPERATIONS

**PROCUREMENT
REQUEST FOR PROPOSAL**

**NOTICE OF
REQUEST FOR PROPOSAL FOR
BACK UP POWER GENERATION**

PWE-MMB-69000-JR

THE CITY OF HOUSTON

The City of Houston Department of Public Works & Engineering invites prospective contractors to submit a written proposal for back-up power generation for Drinking Water Operations for the City of Houston. Proposals are solicited for these products and services for the City of Houston in accordance with the terms, conditions and instructions as set forth in this Request for Proposal (RFP).

This Proposal is available on the Internet from: <http://purchasing.houstontx.gov/>

In the event you do not have download capability, the RFP document may be obtained from the Department of Public Works & Engineering, 301 St. Emanuel, Houston, Texas 77002.

The City of Houston, Texas will receive proposals at the City Secretary's Office, City Hall Annex, Public Level, 900 Bagby, Houston, Texas 77002 until **Friday, April 30, 2010 at 2:00 P.M.** No proposals will be accepted after the stated deadline. When submitting proposals via UPS/FedEx, etc. please label it with the name: Office of the City Secretary + above-referenced address along with the proposal number.

There will be a **Pre-Proposal Conference on Thursday, April 7th at 1:30 p.m. C.S.T. located at 611 Walker St., 20th floor conference room, Houston, Texas 77002.** Questions concerning the Proposal should be submitted to The Materials Management Branch, 301 St. Emanuel, Houston, Texas 77002, Attn: Jerry Roberts phone: (832) 395-3671, fax: (832) 395-3722, jerry.roberts@cityofhouston.net, no later than 4:00 P.M., Friday April 2, 2010.

All proposals will be required to comply with City Council Ordinance No. 78-1538, passed August 9, 1978, relating to Equal Employment Opportunity Contract Compliance. The City reserves the right to reject any or all proposals or to accept any proposal or portion of a proposal deemed to be in the City's best interest.

SECTION I. GENERAL INSTRUCTIONS

1.0 Submittal Procedure:

- 1.1 Seven (7) copies of the proposal, including one (1) printed original, signed in BLUE ink and one (1) electronic copy are to be submitted in a sealed envelope bearing the assigned Control Number located on the first page of the RFP document to:
 - 1.1.1 City Secretary's Office
City Hall Annex
900 Bagby
Houston, Texas 77002
- 1.2 The deadline for the submittal of the proposal to the City Secretary's Office is no later than **Friday, April 30, 2010 at 2:00 P.M.** Failure to submit the required number of copies as stated above may be subject for disqualification from the proposal process.
- 1.3 Respondents may elect to either mail, or personally deliver, their proposals to the City Secretary's Office.
- 1.4 The City of Houston shall bear no responsibility for submitting responses on behalf of any Proposer. Respondents may submit their proposal to the City Secretary's Office any time prior to the above stated deadline.

2.0 Proposal Format:

- 2.1 An electronic copy of the Proposal should be submitted with the seven copies above and the printed original signed in BLUE ink. They should not be submitted in elaborate or expensive binders. Legibility, clarity and completeness are important and essential.
- 2.2 The proposal must be signed by individual(s) legally authorized to bind the Proposer(s) and must contain a statement that the proposal and the prices contained therein shall remain firm for a period of one hundred-eighty (180) days.

3.0 Pre-Proposal Conference:

- 3.1 A Pre-Proposal Conference will be held **Thursday April 7, 2010 at 1:30 p.m.** in conference room located on the 20th floor, 611 Walker, Houston, "TX" 77002. Interested Proposers should plan to attend. It will be assumed that potential Proposers attending this meeting have reviewed the RFP in detail and are prepared to bring up any substantive questions, which have not already been addressed by the City.

4.0 Additional Information and Specifications Changes:

- 4.1 Requests for additional information and questions should be addressed to The Materials Management Branch, Department of Public Works & Engineering, Jerry Roberts, 319 St. Emanuel, Houston, TX 77002 by Friday April 2, 2010, 4:00 p.m. local time. The City of Houston shall provide written response to all questions received in writing on or before the written question submittal deadline. Questions received from all respondents shall be answered and sent to all respondents who are listed as having obtained Requests for Proposals. Proposers shall be notified in writing of any changes in the specifications contained in this Request for Proposal.

5.0 Addenda & Modifications:

- 5.1 All addenda, amendments, and interpretations to this solicitation shall be in writing. Any amendment or interpretation that is not in writing shall not legally bind the City of Houston. Only information supplied by the City of Houston in writing or in this RFP should be used in preparing proposal responses.
- 5.2 The City does not assume responsibility for the receipt of any addendum sent to Proposers.

6.0 Examination of Documents and Requirements:

- 6.1 Each Proposer shall carefully examine all RFP documents and thoroughly familiarize themselves with all requirements prior to submitting a proposal to ensure that the proposal meets the intent of this RFP.
- 6.2 Before submitting a proposal, each Proposer shall be responsible for making all investigations and examinations that are necessary to ascertain conditions and requirements affecting the requirements of this RFP. Failure to make such investigations and examinations shall not relieve the Proposer from obligation to comply, in every detail, with all provisions and requirements of the Request for Proposal.

7.0 Post-Proposal Discussions with Proposers:

- 7.1 It is the City's intent to commence final negotiation with the Proposer(s) deemed most advantageous to the City. The City reserves the right to conduct post-proposal discussions with any Proposer(s).

8.0 Terms, Conditions, Limitations and Exceptions:

- 8.1 This RFP does not commit the City of Houston to award a contract, issue a Purchase Order, or to pay any costs incurred in the preparation of a proposal in response to this request.
- 8.2 The proposals will become part of the City's official files without any obligation on the City's part. All Responses shall be held confidential from all parties other than the City until after the contract is awarded. Afterward, the proposals shall be available to the public, notwithstanding proprietary/confidential information.

- 8.3 The City of Houston shall not be held accountable if material from responses is obtained without the written consent of the Proposer by parties other than the City, at any time during the proposal evaluation process.
- 8.4 In the event a Proposer submits trade secret information to the City, the information must be clearly labeled as a "Trade Secret". The City will maintain the confidentiality of such trade secret to the extent provided by law.
- 8.5 Proposer(s) shall not offer any gratuities, favors, or anything of monetary value to any official or employee of the City of Houston (including any and all members of proposal evaluation committees).
- 8.6 Proposer(s) shall not collude in any manner, or engage in any practices, with any other Proposer(s), which may restrict or eliminate competition or otherwise restrain trade. This is not intended to preclude subcontracts and joint ventures for the purposes of: a) responding to this RFP, or b) establishing a project team with the required experience and/or capability to provide the goods or services specified herein. Conversely, the City can combine or consolidate proposals, or portions thereof, for the purposes mentioned above.
- 8.7 All proposals submitted must be the original work product of the Proposer. The copying or paraphrasing of the work product of another Proposer is not permitted.
- 8.8 The RFP and the related responses of the selected Proposer will by reference (within either a Contract or Purchase Order) become part of any formal agreement between the selected Proposer and the City. The City and the selected Proposer may negotiate a contract or contracts for submission to City Council for consideration and approval. *In the event an agreement cannot be reached with the selected Proposer, the City reserves the right to select an alternative Proposer. The City reserves the right to negotiate with alternative Proposer the exact terms and conditions of the contract.*
- 8.9 Proposers, their authorized representatives, and their agents are responsible for obtaining, and will be deemed to have, full knowledge of the conditions, requirements, and specifications of the Request for Proposal at the time a proposal is submitted to the City.
- 8.10 Not Applicable
- 8.11 Clerical support and reproduction of documentation costs shall be the responsibility of the Prime Contractor. If required, such support and costs shall be defined in the contract negotiated.
- 8.12 Prime Contractor personnel essential to the continuity and successful and timely completion of the project should be available for the duration of the project unless substitutions are approved in writing by the City Project Director.
- 8.13 The Prime Contractor will be expected to adhere to all standard contractual requirements of the City which will include, but are not limited to, provisions for: Time Extensions, Appropriation of Available Funds, Approvals, Term and

Termination, Independent Contractor, Business Structure and Assignments, Subcontractors, Parties in Interest, Non-waiver, Applicable Laws, Notices, Use of Work Products, Equal Employment Opportunity, Force Majeure, and Inspections and Audits.

- 8.14 The City may terminate its performance under a contract in the event of a default by the Prime Contractor and a failure to cure such default after receiving notice of default from the City. Default may result from the Prime Contractor's failure to perform under the terms of the contract or from the Prime Contractor becoming insolvent, having a substantial portion of its assets assessed for the benefit of creditors, or having a receiver or trustee appointed.
- 8.15 Prime Contractor must promptly report to the City Project Director any conditions, transactions, situation, or circumstances encountered by the Prime Proposer, which would impede or impair the proper and timely performance of the contract.
- 8.16 The City of Houston has sole discretion and reserves the right to cancel this RFP or to reject any or all proposals received prior to contract award.
- 8.17 The City reserves the right to waive any minor informality concerning this RFP, or to reject any or all proposals or any part thereof.
- 8.18 The City reserves the right to request clarification of any proposal after they have been received.
- 8.19 The City reserves the right to select elements from different individual proposals and to combine and consolidate them in any way that best serves the City's interest. The City reserves the right to reduce the scope of the project and evaluate only the remaining elements from all proposals. The City reserves the right to reject specific elements contained in all proposals and to complete the evaluation process based only on the remaining items.
- 8.20 The selected Proposer must furnish a "Certificate of Registration" which authorizes them to conduct business in the State of Texas prior to the awarding of the contract. Such Registration is obtained from the Texas Secretary of State's Office, which will also provide the certification thereof.
- 8.21 After contract execution, the successful Proposer shall be the Prime Contractor and responsible party for contracting and communicating the work to be performed to subcontractors and for channeling other information between the City and subcontractors. Any subcontracting must be specified in the proposal. Any subcontracting not specified in the proposal will need prior written approval from the City Purchasing Agent.
- 8.22 Prime Contractor assumes total responsibility for the quality and quantity of all work performed, whether it is undertaken by the Prime Contractor or is subcontracted to another organization.
- 8.23 If subcontractor involvement is required in the use of license, patent, or proprietary process, the Prime Contractor is responsible for obtaining written authorization from the subcontractor to use the process or providing another

process comparable to that which is required and which is acceptable to the City, all at no additional cost or liability to the City.

9.0 Invoicing:

- 9.1 The City of Houston is a single entity for accounting, billing, and discounting. Any invoices accompanied by detailed supplements and other back up documents are to be submitted according to contract requirements.
- 9.2 The City of Houston requires timely and accurate accounting and billing information.

10.0 Mandatory Indemnity and Release Provisions for Any Resulting Agreement:

10.1 RELEASE
PRIME CONTRACTOR/SUPPLIER AGREES TO AND SHALL RELEASE THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE "CITY") FROM ALL LIABILITY FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT, EVEN IF THE INJURY, DEATH, DAMAGE, OR LOSS IS CAUSED BY THE CITY'S SOLE OR CONCURRENT NEGLIGENCE AND/OR THE CITY'S STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY.

10.2 INDEMNIFICATION
PRIME CONTRACTOR/SUPPLIER AGREES TO AND SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE "CITY") HARMLESS FOR ALL CLAIMS, CAUSES OF ACTION, LIABILITIES, FINES, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES, COURT COSTS, AND ALL OTHER DEFENSE COSTS AND INTEREST) FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT INCLUDING, WITHOUT LIMITATION, THOSE CAUSED BY:

10.2.1 PRIME CONTRACTOR/SUPPLIERS AND/OR ITS AGENTS', EMPLOYEES', OFFICERS', DIRECTORS', CONTRACTORS', OR SUBCONTRACTORS' (COLLECTIVELY IN NUMBERED PARAGRAPHS 10.1-10.3, "PRIME CONTRACTOR/SUPPLIER") ACTUAL OR ALLEGED NEGLIGENCE OR INTENTIONAL ACTS OR OMISSIONS;

10.2.2 THE CITY'S AND PRIME CONTRACTOR/SUPPLIER'S ACTUAL OR ALLEGED CONCURRENT NEGLIGENCE, WHETHER PRIME CONTRACTOR/SUPPLIER IS IMMUNE FROM LIABILITY OR NOT; AND

10.2.3 THE CITY'S AND PRIME CONTRACTOR/SUPPLIER'S ACTUAL OR ALLEGED STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY, WHETHER PRIME CONTRACTOR/SUPPLIER IS IMMUNE FROM LIABILITY OR NOT.

10.2.4 PRIME CONTRACTOR/SUPPLIER SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY HARMLESS DURING THE TERM OF THIS AGREEMENT AND FOR FOUR YEARS AFTER THE AGREEMENT TERMINATES. PRIME CONTRACTOR/SUPPLIER'S INDEMNIFICATION IS LIMITED TO \$500,000 PER OCCURRENCE. PRIME CONTRACTOR/SUPPLIER SHALL NOT INDEMNIFY THE CITY FOR THE CITY'S SOLE NEGLIGENCE.

10.2.5 CONTRACTOR AGREES TO AND SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE CITY) FROM ALL CLAIMS OR CAUSES OF ACTION BROUGHT AGAINST THE CITY ALLEGING THAT THE CITY'S USE OF ANY EQUIPMENT, SOFTWARE, PROCESS, OR DOCUMENTS CONTRACTOR FURNISHES DURING THE TERM OF THIS AGREEMENT INFRINGES ON A PATENT, COPYRIGHT, OR TRADEMARK, OR MISAPPROPRIATES A TRADE SECRET. CONTRACTOR SHALL PAY ALL COSTS (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES, COURT COSTS, AND ALL OTHER DEFENSE COSTS, AND INTEREST) AND DAMAGES AWARDED. CONTRACTOR SHALL NOT SETTLE ANY CLAIM ON TERMS WHICH PREVENT THE CITY FROM USING THE EQUIPMENT, SOFTWARE, PROCESS, AND DOCUMENTS WITHOUT THE CITY'S PRIOR WRITTEN CONSENT. WITHIN 60 DAYS AFTER BEING NOTIFIED OF THE CLAIM, CONTRACTOR SHALL, AT ITS OWN EXPENSE, EITHER (1) OBTAIN FOR THE CITY THE RIGHT TO CONTINUE USING THE EQUIPMENT, SOFTWARE, PROCESS, AND DOCUMENTS OR, (2) IF BOTH PARTIES AGREE, REPLACE OR MODIFY THEM WITH COMPATIBLE AND FUNCTIONALLY EQUIVALENT PRODUCTS. IF NONE OF THESE ALTERNATIVES IS REASONABLY AVAILABLE, THE CITY MAY RETURN THE EQUIPMENT, SOFTWARE, OR DOCUMENTS, OR DISCONTINUE THE PROCESS, AND CONTRACTOR SHALL REFUND THE PURCHASE PRICE.

10.3 INDEMNIFICATION-SUBCONTRACTOR'S INDEMNITY

10.3.1 CONTRACTOR SHALL REQUIRE ALL OF ITS SUBCONTRACTORS (AND THEIR SUBCONTRACTORS) TO RELEASE AND INDEMNIFY THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE AND INDEMNITY TO THE CITY.

11.0 Mandatory Indemnification Procedures for Any Resulting Agreement:

11.1 Notice of Claims. If the City or Prime Contractor/Supplier receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving party shall give written notice to the other party within 10 days. The notice must include the following:

11.1.1 a description of the indemnification event in reasonable detail,

11.1.2 the basis on which indemnification may be due, and

11.1.3 the anticipated amount of the indemnified loss.

11.2 This notice does not stop or prevent the City from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If the City does not provide this notice within the 10 day period, it does not waive any right to indemnification except to the extent that Prime Contractor/Supplier is prejudiced, suffers loss, or incurs expense because of the delay.

11.3 Defense of Claims

11.3.1 Assumption of Defense. Prime Contractor/Supplier may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the City. Prime Contractor/Supplier shall then control the defense and any negotiations to settle the claim. Within 10 days after receiving written notice of the indemnification request, Prime Contractor/Supplier must advise the City as to whether or not it will defend the claim. If Prime Contractor/Supplier does not assume the defense, the City shall assume and control the defense, and all defense expenses constitute an indemnification loss.

11.3.2 Continued Participation. If Prime Contractor/Supplier elects to defend the claim, the City may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations. Prime Contractor/Supplier may settle the claim without the consent or agreement of the City, unless it (i) would result in injunctive relief or other equitable remedies or otherwise require the City to comply with restrictions or limitations that adversely affect the City, (ii) would require the City to pay amounts that Contractor does not fund in full, (iii) would not result in the City's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

12.0 **Mandatory Insurance Requirements Procedures for Any Resulting Agreement:**

The Contractor shall obtain and maintain in effect during the term of this agreement, insurance coverage as set forth below and shall furnish certificates of insurance showing the City as an additional insured, in duplicate form, prior to the beginning of the Contract. The City shall be named as an additional insured on all such policies except Professional Liability and Workers' Compensation, must contain an endorsement that the policy is primary to any other insurance available to the Additional Insured with respect to claims arising under the agreement. **The issuer of any policy shall have a Certificate of Authority to transact insurance business in the State of Texas or have a Best's rating of at least B+ and a Best's Financial Size Category of Class VI or better, according to the most current edition of Best's Key Rating Guide, Property-Casualty United States.**

12.1 Comprehensive General Liability including Contractual Liability and Automobile Liability insurance shall be in at least the following amounts:

12.1.1 Commercial General Liability Insurance including Contractual Liability:

12.1.1.1 \$500,000 per occurrence;

12.1.1.2 \$1,000,000 aggregate, (defense costs excluded from face value of the policy)

12.1.2 Workers' Compensation including Broad Form All States Endorsement:

12.1.2.1 Amount shall be statutory amount.

12.1.2.2 **Employer's Liability cannot be used as a substitute for Workers' Compensation**

12.1.3 Automobile Liability (See Note Below):

12.1.3.1 \$1,000,000 Combined Single Limit per occurrence

Defense costs are excluded from the face amount of the policy. Aggregate Limits are per 12-month policy period unless otherwise indicated.

12.1.4 Employer's Liability

12.1.4.1 Bodily injury by accident \$100,000 (each accident)

12.1.4.2 Bodily injury by disease \$100,000 (policy limit)

12.1.4.3 Bodily injury by disease \$100,000 (each employee)

12.1.5 Professional Liability \$1,000,000

12.1.5.1 \$500,000 per occurrence \$1,000,000 aggregate

12.2 Automobile liability insurance for autos furnished or used in the course of performance of this Contract including Owned, Non-owned and Hired Auto coverage (Any Auto coverage may be substituted for Owned, Non-owned and Hired Auto coverage.) If no autos are owned by the Contractor, coverage may be limited to Non-owned and Hired Autos. If Owned Auto coverage cannot be purchased by Contractor, Scheduled Auto coverage may be substituted for Owned Auto coverage. EACH AUTO USED IN PERFORMANCE OF THIS CONTRACT MUST BE COVERED IN THE LIMITS SPECIFIED.

12.3 All of the insurance required to be carried by the Contractor hereunder shall be by policies which shall require on their face, or by endorsement, that the insurance carrier waives any rights of subrogation against the City, Contractor shall give written notice to the Director if any of its insurance policies are cancelled, materially changed or non-renewed. Within such thirty (30) day period Contractor covenants that it will provide other suitable policies in lieu of those about to be cancelled or materially changed so as to maintain in effect the coverage required under the provisions hereof. Failure or refusal of the

Contractor to obtain and keep in force the above required insurance coverage shall authorize the City, at its option, to terminate this Contract at once.

- 12.4 If any part of the work is sublet, similar insurance shall be provided by or in behalf of the Subcontractor to cover their operations, and the Contractor shall furnish evidence of such insurance, satisfactory to the City. In the event a Subcontractor is unable to furnish insurance in the limits required under the Contract, the Contractor shall endorse the Subcontractor as an Additional Insured on his policies excluding Workers' Compensation and Employer's Liability.

12.4.1 (See Insurance Requirements Exhibit for a sample insurance certificate format).

12.4.2 Only unaltered original insurance certificates endorsed by the underwriter are acceptable. Photocopies are unacceptable.

- 12.5 Contractor shall maintain in effect certain insurance coverage, which is described as follows:

12.5.1 Form of Policies: The Director may approve the form of the insurance policies, but nothing the Director does or fails to do relieves Contractor from its duties to provide the required coverage under this Agreement. The Director's actions or in-actions do not waive the City's right under this Agreement.

12.5.2 Issuers of Policies: The issuer of any policy shall have a Certificate of Authority to transact insurance business in Texas or have a Best's rating of at least B+ and a Best's Financial Size Category of Class VI or better, according to the most current edition Best's Key Rating Guide, Property-Casualty United States.

12.5.3 Insured Parties: Each policy, except those for Workers Compensation, Employer's Liability, and Professional Liability, must name the City (and its officers, agents, and employees) as Additional Insured parties on the original policy and all renewals or replacements.

12.5.4 Deductibles: Contractor shall be responsible for and bear any claims or losses to the extent of any deductible amounts and waives any claim it may have for the same against the City, its officers, agents, or employees.

12.5.5 Cancellation: Each policy must state that it may not be canceled, materially modified, or non-renewed unless the insurance company gives the Director 30 days' advance written notice. Contractor shall give written notice to the Director within five days of the date on which total claims by any party against Contractor reduce the aggregate amount of coverage below the amounts required by this Agreement. In the alternative, the policy may contain an endorsement establishing a policy aggregate for the particular project or location subject to this Agreement.

- 12.5.6 Subrogation: Each policy must contain an endorsement to the effect that the issuer waives any claim or right of subrogation to recover against the City, its officers, agents, or employees.
- 12.5.7 Endorsement of Primary Insurance: Each policy, except Worker's Compensation and Professional Liability (if any), must contain an endorsement that the policy is primary to any other insurance available to the Additional Insured with respect to claims arising under this Agreement.
- 12.5.8 Liability for Premium: Contractor shall pay all insurance premiums, and the City shall not be obligated to pay any premiums.
- 12.5.9 Subcontractors: Contractor shall require all subcontractors to carry insurance naming the City as an additional insured and meeting all of the above requirements except amount. The amount must be commensurate with the amount of the subcontract, but in no case less than \$500,000 per occurrence. Contractor shall provide copies of insurance certificates to the Director.
- 12.5.10 Proof of Insurance On the Effective Date and at any time during the Term of this Agreement, Contractor shall furnish the Director with Certificates of Insurance, along with an Affidavit from Contractor confirming that the Certificates accurately reflect the insurance coverage maintained. If requested in writing by the Director, Contractor shall furnish the City with certified copies of Contractor's actual insurance policies.
- 12.5.10.1 Contractor shall continuously and without interruption, maintain in force the required insurance coverages specified in this Section. If Contractor does not comply with this requirement, the Director, at his or her sole discretion, may
- 12.5.10.2 Immediately suspend Contractor from any further performance under this Agreement and begin procedures to terminate for default, or
- 12.5.10.3 Purchase the required insurance with City funds and deduct the cost of the premiums from amounts due to Contractor under this Agreement.
- 12.5.10.4 The City shall never waive or be stopped to assert its right to terminate this Agreement because of its acts or omissions regarding its review of insurance documents.
- 12.5.11 Other Insurance: If requested by the Director, Contractor shall furnish adequate evidence of Social Security and Unemployment Compensation Insurance, to the extent applicable to Contractor's operations under this Agreement.

13.0 Mandatory Contractor Performance Provision:

13.1 Contractor should make citizen satisfaction a priority in providing services under this Contract. Contractor's employees should be trained to be customer-service oriented and to positively and politely interact with citizens when performing contract services. Contractor's employees should be clean, courteous, efficient and neat in appearance at all times and committed to offering the highest degree of service to the public. If, in the Director's determination, the Contractor is not interacting in a positive and polite manner with citizens, the Contractor shall take all remedial steps to conform to the standards set by this Contract and is subject to termination for breach of contract.

14.0 Mandatory Inspections and Audits Provision:

14.1 City representatives may have the right to perform, or have performed, (1) audits of Contractor's books and records, and (2) inspections of all places where work is undertaken in connection with this Agreement. Contractor shall keep its books and records available for this purpose for at least three (3) years after this Agreement terminates. This provision does not affect the applicable statute of limitations.

15.0 Mandatory Interpreting Specifications Provision:

15.1 The specifications and product references contained herein are intended to be descriptive rather than restrictive. The City is soliciting proposals to provide a complete product and service package, which meets its overall requirements. Specific equipment and system references may be included in this RFP for guidance, but they are not intended to preclude Proposers from recommending alternative solutions offering comparable or better performance or value to the City. Unless specifically stated otherwise with regard to a specific item of equipment, it should be assumed that the City requires all equipment proposed for this project to be supported by a manufacturer's warranty, which is equal to or better than the prevailing standard in the industry.

15.2 Changes in the specifications, terms and conditions of this RFP will be made in writing by the City prior to the proposal due date. Results of informal meetings or discussions between a potential Proposer and a City of Houston official or employee may not be used as a basis for deviations from the requirements contained in this RFP.

16.0 Mandatory Local Minority/Women Businesses Enterprises Participation:

16.1 Contractor shall comply with the City's Minority and Women Business Enterprise ("MWBE") programs as set out in Chapter 15, Article V of the City of Houston Code of Ordinances. Contractor shall make good faith efforts to award subcontracts or supply agreements in at least 17% for the construction phase of this project and at least 11% for annual operations and maintenance of the facilities to MWBEs. Contractor acknowledges that it has reviewed the requirements for good faith efforts on file with the City's Affirmative Action Division and will comply with them.

16.2 Contractor shall require written subcontracts with all MWBE subcontractors and shall submit all disputes with MWBEs to binding arbitration in Houston, Texas if directed to do so by the Affirmative Action Division Director. MWBE subcontracts

must contain the terms set out in [Exhibit I](#). If Contractor is an individual person (as distinguished from a corporation, partnership, or other legal entity), and the amount of the subcontract is \$50,000 or less, the subcontract must also be signed by the attorneys of the respective parties.

17.0 Mandatory Compliance with City Contractors' Pay or Play Program:

17.1 The requirements and terms of the City of Houston Pay or Play Program, as set out in Executive Order 1-7, are incorporated into this agreement for all purposes. Contractor has reviewed Executive Order No. 1-7 and shall comply with its terms and conditions as they are set out at the time of City Council approval of this agreement. This provision requires certain contractors to offer to certain employees a minimal level of health benefits or to contribute a designated amount to be used to offset the costs of providing health care to uninsured people in the Houston/Harris County area. Failure to complete [Exhibit X](#) "Pay or Play" Acknowledgement Form & Certification of Agreement to Comply with Pay or Play Program may be just cause for rejection of your proposal.

18.0 C Mandatory Compliance with City Contractor Ownership Disclosure Ordinance:

18.1 City Council requires knowledge of the identities of the owners of entities seeking to contract with the City in order to review their indebtedness to the City prior to entering contracts. Therefore, all respondents to this RFP must comply with Houston Code of Ordinances Chapter 15, as amended (Sections 15-122 through 15-126) relating to the disclosure of owners of entities bidding on, proposing for or receiving City contracts.

18.2 Completion of [Exhibit VI](#) –"Affidavit of Ownership or Control" will satisfy this requirement. Failure to provide this information may be just cause for rejection of your bid or proposal.

19.0 Mandatory Contractor Debt Provision for Any Resulting Agreement:

19.1 IF CONTRACTOR, AT ANY TIME DURING THE TERM OF THIS AGREEMENT, INCURS A DEBT, AS THE WORD IS DEFINED IN SECTION 15-122 OF THE HOUSTON CITY CODE OF ORDINANCES, IT SHALL IMMEDIATELY NOTIFY THE CITY CONTROLLER IN WRITING. IF THE CITY CONTROLLER BECOMES AWARE THAT CONTRACTOR HAS INCURRED A DEBT, SHE SHALL IMMEDIATELY NOTIFY CONTRACTOR IN WRITING. IF CONTRACTOR DOES NOT PAY THE DEBT WITHIN 30 DAYS OF EITHER SUCH NOTIFICATION, THE CITY CONTROLLER MAY DEDUCT FUNDS IN AN AMOUNT EQUAL TO THE DEBT FROM ANY PAYMENTS OWED TO CONTRACTOR UNDER THIS AGREEMENT, AND CONTRACTOR WAIVES ANY RECOURSE THEREFOR.

20.0 Mandatory City of Houston Fair Campaign Ordinance Provision for Any Resulting Agreement :

20.1 The City of Houston Fair Campaign Ordinance makes it unlawful for a contractor to offer any contribution to a candidate for City elective office. For purposes of this ordinance a contract is defined as any contract for goods or services having a value in excess of \$30,000 or more, regardless of the way by which it was solicited or awarded. [Exhibit V](#) of this RFP describes the contract and documentation requirements relating to this ordinance.

21.0 Mandatory Drug Detection and Deterrence Procedures for Contractors:

21.1 It is the policy of the City to achieve a drug-free workforce and to provide a workplace that is free from the use of illegal drugs and alcohol. It is also the policy of the City that the manufacture, distribution, dispensation, possession, sale or use of illegal drugs or alcohol by contractors while on City premises is prohibited. Accordingly, effective September 1, 1994, and pursuant to the Mayor's Executive Order 1-31, as a condition to the award of any contract for labor or services, a successful Proposer must certify to its compliance with this policy. **EXHIBIT VII** contains the standard language, which will be used in each contract for labor or services, as well as the Executive Order 1-31 disclosure and compliance forms (Attachments A, B and C). These forms must be completed and returned prior to award.

22.0 Project Administration:

22.1 Questions regarding the scope of the project, technical specifications, proposed applications, etc. may be addressed to the Project Manager at the pre-proposal conference.

SECTION II. SCOPE OF WORK

1.0 Introduction

The Public Works & Engineering Department (PWE) of the City of Houston (City) is seeking proposals from persons interested in serving as potential owner, operator, maintenance providers, asset managers for the installation of emergency back-up power generation to a selection of water production plants in conformance with State of Texas Senate Bill 361 and Title 30 Texas Administrative Code (TAC), Chapter 290, Subchapter D.

According to the requirements of SB 361 and 30 TAC §290.45, the City must ensure operations of its water systems at a minimum of 35 pounds per square inch during power outages lasting more than 24 hours as soon as it is safe and practicable following the occurrence of a natural disaster (30 TAC §260.45 (h)(1)). Additionally, the City must install and maintain automatically starting auxiliary generators or distributive generation facilities for each raw water intake pump station, water treatment plant, pump station, and pressure facility necessary to provide water to its wholesale customers (30 TAC §290.45(h)(2)). The size of these emergency power generation facilities will vary depending upon the peak electrical demand of each water plant. Electrical usage data for each of the plants can be obtained from CenterPoint with a Letter of Authorization from the City of Houston. Respondents should email jerry.roberts@cityofhouston.net to request an LOA.

The City is seeking creative solutions which will minimize the financial impact to the City. The City does not plan to issue bonds to finance these power generation facilities, nor is the City interested in an ownership position. The City will look to the successful respondent, hereinafter referred to as the Contractor, to secure financing, obtain all necessary permits, purchase all equipment, design, engineer, construct, own, operate, and maintain the facilities. The City welcomes the identification of any grant funding that could potentially be available to the City for this project or tax credits that could potentially be available to the Contractor. In order to enable the Contractor or Contractors to secure financing for these projects, the City would be willing to enter into one or more agreements potentially including a Power Purchase Agreements (PPA) or other contractual relationship with the City.

The water plants affected by SB 361 are required to have automatically starting auxiliary generators or distributive generation facilities for the portion of their capacity serving wholesale customers from surface water sources. The sites are:

- East Water Purification Plant No. 3
- East Water Purification Plant Nos. 1 & 2
- Southeast Water Purification Plant
- Northeast Water Purification Plant
- Kingwood Ground Water Plant No. 1
- Kingwood Ground Water Plant No. 2
- Kingwood Ground Water Plant No. 3
- Katy Addicks Repumping Station
- Lake Houston Pumping Station

A satellite view of each water plant and pumping station site is electronically attached to the

main Website file. These views show the areas within the plant site that would be available for the new power generation equipment. Also included is a table with the calculated square feet of each area.

The City's the price is projected to be between \$0.069 and \$0.085 per kWh for FY2011 (July 2110 to June 2011).

2.0 Instructions to Respondents

Respondents are to be thoroughly familiar with SB 361 and the applicable sections of Title 30 TAC, Chapter 290, Subchapter D. TCEQ rules are available at:

<http://www.tceq.state.tx.us/assets/public/legal/rules/rules/pdf/lib/290d.pdf>.

Each respondent shall structure their proposal such that the City will have no financial expense until the plant is commissioned and placed into commercial operation.

The City reserves the right to award these facilities in aggregate or separately to more than one respondent.

It will be the responsibility of each respondent to determine if the designated area(s) provide adequate space for the installation of the power generation facility and sufficient space for a construction lay down area and construction parking.

Respondents shall provide a general arrangement drawing with their proposal showing the layout of their equipment and any related facilities. If sufficient space is not available on site for a construction lay down area or construction parking, it will be the responsibility of the respondents to locate such a space near the water plant or coordinate with the City for additional temporary space. All costs associated with the offsite lay down area and parking will be borne by the Contractor.

Electrical One Line diagrams for each of the plants have been included as attachments to this RFP on the main Website file. The City does not guarantee the accuracy of these documents. The respondents shall include in their proposals a marked up copy of each of the one line diagrams which clearly reflects their proposed interconnection into the plant electrical system and/or into the grid.

This solicitation has a 17% for the construction phase of this project and at least 11% for the annual operations and maintenance of the facilities and it is expected that most of the respondents will hire environmental consultants, engineers, construction contractors, O&M contractors, fuel managers, power marketers, and other specialists to perform much of the work required. Respondents should access the Affirmative Action Directory at:

www.houston.mwdbe.com/FrontEnd/VendorSearchPublic.asp

In cases where the respondent has pre-selected a company to perform a service, they should so state in their proposal. If the respondent plans to outsource these services and has not selected a specific company, the respondent should provide a list of prospective companies (no more than 3 for each specialty) from which they would make their selection. Information on these companies should also be provided.

In addition, the respondents should include the following in their proposals:

- ❑ A list of similar projects completed with detailed information on each project.
- ❑ A project organization chart with names and responsibilities of key personnel.
- ❑ Résumés of all key corporate and project personnel.
- ❑ A detailed execution plan for the project.
- ❑ A completed data sheet with pricing for each of the plants.
- ❑ A compact disc, DVD, or other portable memory storage device containing the entire proposal and supporting documentation in pdf format.

3.0 Scope Definition

The Contractor shall have the responsibility to develop, design, engineer, operate, maintain, own, and manage the overall operations of any power generation facilities. The requisite activities include, but are not limited to the following:

- ❑ Enter into one or more PPA's with the City for the installed capacity and energy generated by these facilities.
- ❑ Apply for and obtain all necessary permits including the purchase of any emission or carbon offsets if required and Texas Public Utility Commission authorizations if required..
- ❑ Secure interim construction financing and long term debt financing for this project.
- ❑ Purchase all equipment.
- ❑ Provide for the design, engineering, and construction the facilities.
- ❑ Provide for the operations and maintenance of the facilities.
- ❑ Provide for the management of all fuel purchases during the life of the contract.
- ❑ Provide for the management of the marketing of excess capacity, electrical energy and ancillary services to the ERCOT electrical grid in such a manner to optimize the benefit to the City. Contractor may not utilize the City's credit to meet any collateral requirements.
- ❑ Provide for the General Management and operations of the new company.

Project Structure

This project lends itself to be structured on a project finance basis. It is anticipated that the Contractor will establish a special purpose subsidiary or new company that will serve as the owner, operator and/or asset manager of the facility during the term of the contract. The new entity will enter into a contractual relationship with the City, which may include a PPA and land lease with the City. For bidding purposes the annual cost of the lease should be estimated to be \$1.00.

Project Development

The Contractor shall undertake all project development activities at no expense to the City, including securing all necessary permits, authorizations, purchasing emission offsets if necessary, and arranging for utility connections as needed at each site such as communications, electricity, drinking water, raw water, and sewage. The Contractor shall

coordinate the design of the electrical interconnection with CenterPoint Energy and the City. The Contractor shall arrange for the construction and long term financing of the facility.

Power Purchase Agreement

If required, a PPA will define the terms under which the Contractor will sell capacity and energy to the City. The term shall be for five years and contain up to three five-year options, at the City's discretion to extend the agreement. The Contractor shall be responsible for the marketing and sale of excess power and ancillary services to the ERCOT electrical grid and propose a share the benefits from such sales with the City. See Section 5.0 for options that may be considered.

Equipment and Technology

For the power generation equipment, respondents may elect to use any technology that complies with Appendix J of the TCEQ Regulations, including electric generators driven by either combustion turbines or reciprocating engines wind, solar or other means. Alternative technologies will be given consideration. The respondents should include detailed information and vendor data sheets on the proposed equipment. It is preferred that all equipment and material shall be new and unused.

Operations and Maintenance

The Contractor shall be responsible maintaining the facilities in such a manner to ensure extremely high reliability and availability of the equipment. In accordance with 30 TAC §290.45(h)(3), emergency generators must be maintained, tested, and operated in accordance with the manufacturer's specifications. The Contractor must develop and rigorously adhere to a preventative maintenance program aligned with the equipment manufacturers' recommendations for all equipment at the facility. An operations and maintenance plan shall be included in the proposal and a proposed plan for communications with the plant during catastrophic events.

Fuel

Natural gas is the preferred fuel, but alternate fuels will be considered. The Contractor will be responsible for entering into contracts for the supply and delivery of fuel to the project. The respondent must provide documentation showing how fuel supply needs were calculated and provide a plan to ensure adequate supplies of fuel will be available to maintain emergency operations. The reliability of the fuel source during catastrophic events will be a key consideration in the evaluation.

If natural gas is proposed, the Contractor shall include knock-out drums and adequate filtration to remove any condensate, other liquids, or trash that may become entrained in the gas stream.

If diesel is proposed, the respondent should include a quality maintenance plan which will ensure the integrity of the fuel and provide for trouble-free operations.

Potential Penalties

Respondents are reminded that the primary purpose of this on-site operation is to provide a guaranteed supply of electrical power to the City's water plants during emergency conditions. Failure to do so will result in financial penalties which will be defined in the PPA or other final agreements.

4.0 Schedule

The respondents shall include a project schedule based on the City's final emergency preparedness plan submittal due date of May 29, 2010 to TCEQ and an initial implementation date of July 1, 2010. The schedule shall show the duration of all main project activities, key milestones, and the targeted date for commercial operation. No later than May 15, 2010, the Contractor shall submit information to the City necessary for inclusion in the emergency preparedness plan. This information includes, but is not limited to the following items according to 30 TAC §290.47(j):

- Contact information, including names, emergency telephone and pager numbers, and email addresses.
- List the size, location and fuel requirement in gallons per hour at the load necessary to maintain emergency operations for all on-site automatic auxiliary power equipment, and provide information as to how the necessary fuel quantity was determined.
- Provide documentation as to how an adequate supply of fuel will be maintained during emergency operations.
- Provide specifications, a description, and detailed capacity information for all on-site electrical generation or distributive generation equipment. Include all fuel demands for this equipment.
- For each fuel tank, provide the location, volume, name of fuel suppliers, contact names, titles, telephone and pager numbers, and email addresses.
- Provide a proposed time frame for full implementation of the emergency preparedness plan.

5.0 Power Sales Options

Respondents will be allowed to offer proposals to furnish electrical power generation based on either one or a combination of the following options:

- Emergency Generation Primary Responsibility - Secondary Sales to ERCOT
Provide for power generation to be installed at the water plant or plants wherein the City would purchase electrical energy from the facility only during emergency periods when the electrical grid is not in service or during periods of scheduled equipment testing. The power generation facility would also have the option of selling energy, capacity, and/or ancillary services to the grid when it would be economically feasible. Respondents are required to quote a Capacity Payment for up to a 20 year term and a rate for electric energy (fixed or variable based on a formula or market indices). Respondents will further quote a sharing percentage for all energy, capacity, and ancillary services revenue generated from the ERCOT system through the term of the PPA.

For this Option Respondents shall provide:

- Identification of Plants
 - Monthly fixed Capacity Payment for up to a 20 year term - \$/month
 - Peak Capacity - kW
 - Installed Capacity – Total kW per location
 - Rate for Electricity Energy during emergency operation -
 - \$/kwh or a formula indexed to fuel
 - Upside sharing percentage with the City for capacity, energy, and ancillary services revenue generated from the ERCOT system.
- Emergency Generation Primary Responsibility – Secondary Sales to City of Houston
Provide for power generation to be installed at the water plant or plants wherein the power generation facility would become an optional primary source of electrical energy for the water plant. The water plant would remain connected to the grid allowing the City to decide when to purchase power from the on-site generation facility or from its Retail Electric Provider doing business on the CenterPoint Energy system. The power generation facility would also have the option of selling excess energy, excess capacity, and/or ancillary services to the grid when economically feasible. Respondents are required to quote a Capacity Payment for a 20 year term and a rate for electric energy (fixed or variable based on a formula or market indices). Respondents will further quote a sharing percentage for all energy, capacity, and ancillary services revenue generated from the ERCOT system through the term of the PPA.

For this Option Respondents shall provide:

- Identification of Plants
- Monthly fixed Capacity Payment for a 20 year term - \$/month
- Peak Capacity - kW
- Installed Capacity – Total kW per location
- Rate for Electricity Energy during emergency operation -
 - \$/kwh or a formula indexed to fuel
- Rate for Electric Energy during sales to water plants –
 - \$/kwh or a formula indexed to fuel
- Upside sharing percentage with the City for capacity, energy, and ancillary services revenue generated from the ERCOT system.

SECTION III. PROPOSAL OUTLINE AND CONTENT

To simplify the review process and to obtain the maximum degree of comparability, the proposal must follow the outline as set forth below and, at a minimum, contain the information as requested. Proposers are encouraged to include additional relevant information.

1.0 Title Page:

- 1.1 The title page should include the title of the RFP and number, the name and address of the Proposer, and the date of the proposal.

2.0 Submittal Form:

- 2.1 PROPOSAL MUST BE SIGNED AND NOTORIZED BY AN AUTHORIZED REPRESENTATIVE(S) OF THE PROPOSER, WHICH MUST BE THE ACTUAL LEGAL ENTITY THAT WILL PERFORM THE CONTRACT IF AWARDED AND THE TOTAL FIXED PRICE CONTAINED THEREIN SHALL REMAIN FIRM FOR A PERIOD OF ONE-HUNDRED EIGHTY (180) DAYS.

3.0 Letter of Transmittal:

- 3.1 A letter of transmittal shall include the following:
 - 3.1.1 The names, titles, addresses, and telephone numbers of the individuals who are authorized to make representations on behalf of the Proposer.
 - 3.1.2 A statement that the per unit proposed price and/or lump sum (if prices are proposed) is the total fixed price for the equipment and services enumerated.
 - 3.1.3 A statement that the person signing the letter of transmittal is authorized to legally bind the Proposer; that the proposal and the total fixed price contained therein shall remain firm for a period of one hundred-eighty (180) days and that the proposal will comply with the requirements and arrangements in Section I of this RFP.

4.0 Expertise/Experience/Qualification Statement:

- 4.1 A brief statement describing the Proposer's background information, history, resources and/or track record. Please limit to two (2) pages.
- 4.2 An Organizational Chart.
- 4.3 Provide resumes of key personnel whom will be responsible for the delivery of the services/project.
- 4.4 Provide copies of key personnel certifications and/or licenses, if required.

5.0 Proposed Strategy & Operational Plan:

5.1 Provide a detailed description and methodology of the proposed plan for Power Generation, which should include, but not be limited to the following:

5.1.1 A brief statement of the Proposer's understanding of the work to be done.

5.1.2 A detailed description that clearly defines the method of approach that will be utilized in the successful achievement of the RFP intended Scope of Work.

6.0 Proposed Equipment:

6.1 Provide complete Power Generation description, design, functions and technical specifications that are being proposed for usage.

7.0 Financial Statement:

7.1 Submit your company's audited annual financial statements, in accordance with and as defined in the Financial Accounting Standards Board (FASB) regulation(s) for the past two years. In addition, include your and Dunn & Bradstreet Report or Federal Tax Forms Filed to the Internal Revenue Service (IRS) for the past two years.

8.0 Contents:

8.1 The contents should be identified by section, description, and page number and should include, at a minimum, the following sections:

8.1.1 Title Page

8.1.2 Signed and Notarized Submittal Form (Exhibit II)

8.1.3 Letter of Transmittal

8.1.4 Expertise/Experience/Reliability Statement

8.1.5 Organizational Chart, Resumes & Certifications/Licenses of proposed key personnel.

8.1.6 Proposed Strategy/Operational Plan

8.1.7 Proposed Equipment

8.1.8 Financial Statement and Dunn & Bradstreet Reports or Federal Tax Forms Filed for past two years.

8.1.9 Signed M/WBE Forms: Attachment "A" Schedule of M/WBE Participation and Attachment "B" Letter of Intent (Exhibit I)

8.1.10 List of Previous Customers and List of Proposed Subcontractors (Exhibit II)

8.1.11 Pricing Form (Exhibit III) – NOTE: Proposers may use alternate format

8.1.12 Fair Campaign Ordinance Form "A" (Exhibit V)

8.1.13 Affidavit of Ownership or Control (Exhibit VI)

8.1.14 Drug Compliance Agreement Attachment "A" and Contractor's Certification of No Safety Impact Positions Attachment "C" (Exhibit VII)

8.1.15 Anti Collusion Statement (Exhibit VIII)

8.1.16 Conflict of Interest Questionnaire (Exhibit IX – Download Form at <http://www.ethics.state.tx.us/forms/CIQ.pdf>)

8.1.17 City Contractors' Pay or Play Acknowledgement Form (Exhibit X)

8.1.18 Requested Information Outlined in the Scope of Work & Other Additional Relevant/Supporting Information or Alternate Proposals.

SECTION IV. EVALUATION AND SELECTION PROCESS

1.0 Evaluation Summary:

1.1 An evaluation committee will develop a short list of respondents and those short listed respondents may be scheduled for a structured oral presentation and interview. Such presentations will be at no cost to the City of Houston. At the end of the oral presentation and interview, the evaluation of the short listed respondents will be completed. The oral interview may be recorded and/or videotaped.

2.0 Selection Process

2.1 The award of this contract(s) will be made to the respondent(s) offering the response which best meets the needs of the City. The City may make investigations, as it deems necessary, to determine the capabilities of the Proposer. The Proposer shall furnish to the City such data as the City may request for this purpose. The City reserves the right to reject any offer if the evidence submitted by or the investigation of the Proposer fails to satisfy the City that the Proposer is properly qualified to provide the services contemplated. Each respondent will be evaluated on the basis of the following evaluation criteria that are listed in order of importance below:

2.2.1 Proposer demonstrates conformance to the overall intent of the Scope of Work, including technical, all aspects of management and cost/financial requirements. A Work Plan/Gant Chart or time line should be presented representing an accurate depiction of the actual project per site. A comprehensive Operations & Maintenance schedule must meet or exceed the Original Equipment Manufacturer's recommendations for all maintenance activities. Any features, incentives or performance enhancements at no cost to the City. It is important to include rational for deviations from mandatory provisions to avoid or minimize deductions.

25%

2.2.2 Proposer provides verifiable evidence of financial information demonstrating the developer is in sound financial condition with the ability to secure the necessary financing to meet the total project requirements for the entire term of the Power Purchase Agreement to own, operate and maintain the power generation system(s). An official letter from the financier confirming the financial arrangement may be required.

25%

2.2.3 Pricing will be evaluated on the base of providing a back-up generating scenario with financial model(s). The factors will include, but not be limited to:

PPA power rate	O & M total cost
Any standby tariff costs	Cost of money
Length of Agreement	Escalation
Tax incentives/rebates	Construction cost

REC cost/income
Fuel choice and cost

Price per kilowatt-hour rate

Preference will be given to proposals utilizing natural gas and/or renewable energy.

20%

2.2.4 Proposers are to provide a previous history of similar projects successfully completed. The list must provide sufficient details to document completion, in-progress or current active proposals/bids. Contact information for seeking reference from past or current customers are encouraged.

15%

2.2.5 MBE participation through the use of City of Houston Certified minority vendors.

CITY OF HOUSTON CERTIFIED M/WBE SUBCONTRACT TERMS

Contractor shall insure that all subcontracts with M/WBE subcontractors and suppliers are clearly labeled "**THIS CONTRACT IS SUBJECT TO BINDING ARBITRATION ACCORDING TO THE TEXAS GENERAL ARBITRATION ACT**" and contain the following terms:

1. _____ (M/WBE subcontractor) shall not delegate or subcontract more than 50% of the work under this subcontract to any other subcontractor or supplier without the express written consent of the City of Houston's Affirmative Action Director ("the Director")
2. _____ (M/WBE subcontractor) shall permit representatives of the City of Houston, at all reasonable times, to perform 1) audits of the books and records of the subcontractor, and 2) inspections of all places where work is to be undertaken in connection with this subcontract. Subcontractor shall keep such books and records available for such purpose for at least four (4) years after the end of its performance under this subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.
3. Within five (5) business days of execution of this subcontract, Contractor (prime contractor) and Subcontractor shall designate in writing to the Director an agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the Houston City Code of Ordinances, along with the street and mailing address and phone number of such agent.
4. As conclude by the parties to this subcontract, and as evidenced by their signatures hereto, any controversy between the parties involving the construction or application of any of the terms, covenants or conditions of this subcontract shall, on the written request of one party served upon the other or upon notice by Director served on both parties, be submitted to binding arbitration, under the Texas General Arbitration Act (Tex. Civ. Prac. & Rem. Code Ann., Ch. 171 – "the Act"). Arbitration shall be conducted according to the following procedures:
 - a. Upon the decision of the Director or upon written notice to the Director from either party that a dispute ahs arisen, the Director shall notify all parties that they must resolve the dispute within thirty (30) days or the matter may be referred to arbitration.
 - b. If the dispute is not resolved within the time specified, any party or the Director may submit the matter to arbitration conducted by the American Arbitration Association under the rules of the American Arbitration Association, except as other wise required by the City's contract with American Arbitration Association on file in the Office of the City's Affirmative Action Division.
 - c. Each party shall pay all fees required by the American Arbitration Association and sign a form releasing the American Arbitration Association and its arbitrators from liability for decisions reached in the arbitration.
 - d. In the event the American Arbitration Association no longer administers Affirmative Action arbitration for the City, the Director shall prescribe alternate procedures as necessary to provide arbitration by neutrals in accordance with the requirements of Chapter 15 of the Houston City Code of Ordinances.

These provisions apply to goal oriented contracts. A goal oriented contract means any contract for the supply of goods or non-personal or non-professional services in excess of \$100,000.00 for which competitive bids are required by law; not within the scope of the MBE/WBE program of the United States Environmental Protection Agency on the United States Department of Transportation; and ;, which the City Purchasing Agent has determined to have significant M/WBE subcontracting potential in fields which there are an adequate number on known MBEs and/or WBE's to compete for City contract.

The M/WBE policy of the City of Houston will discussed during the pre-bid. For information assistance, and/or to receive a copy of the City's Affirmative action policy and/or ordinance contact the Affirmative Action Division at (713) 837-9000, 611 Walker, 20th Floor, Houston, Texas.

City of Houston Insurance Requirements for Contracts

To comply with the terms and conditions for insurance in a City of Houston Service Contract, the Contractor's Insurance Certificate must be prepared as follows and shall meet the requirements set forth on page 12 hereof and in Section C hereof:

- A. The City of Houston must be listed as an **additional insured** on the face of the Certificate, except those for Worker's Compensation and Employer's Liability.
- B. Each Policy must contain an endorsement to the effect that the **issuer waives any claim or right in the nature of subrogation** to recover against the City, its officers, agents or employees.
- C. The City of Houston must be included in the Insurer's Notification Requirement, which may be accomplished in one of the following ways:
 - 1. By the Contractor's Insurance Agent revising the standard cancellation clause to read substantially as follows (all handwritten strike-outs, additions, and changes to the original text, must all be initialed by the Insurance Agent authorized to make such changes): -

=====CANCELLATION=====

J. D.

NON-RENEWED

SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION

J. D.

DATE THEREOF, THE ISSUING COMPANY WILL ENDEAVOR TO MAIL 30 DAYS WRITTEN NOTICE OF SUCH CHANGE TO THE CERTIFICATE HOLDER NAMED (TO THE LEFT), BUT FAILURE TO MAIL SUCH NOTICE SHALL IMPOSE NO OBLIGATION OR LIABILITY OF ANY KIND

CITY OF HOUSTON FAIR CAMPAIGN ORDINANCE

The City of Houston Fair Campaign Ordinance makes it unlawful for a Contractor to offer any contribution to a candidate for City elective office (including elected officers and officers-elect). All respondents to this invitation to bid must comply with Houston Code of Ordinances Chapter 18 as amended relating to the contribution and solicitation of funds for election campaigns. Provisions of this ordinance are provided in part in the paragraphs that follow. Complete copies may be obtained from the office of the City Secretary.

Candidates for city office may neither solicit nor receive contributions except during a period commencing 270 calendar days prior to an election date for which a person is a candidate for such office and ending 90 calendar days after the election date, including run off elections if such candidate is on the ballot.

Further, it shall be unlawful either for any person who submits a bid or proposal to contribute or offer any contribution to a candidate or for any candidate to solicit or accept any contribution from such person for a period commencing at the time of posting of the City Council Meeting Agenda including an item for the award of the Contract and ending upon the 30th day after the award of the Contract by City Council.

For the purposes of this Ordinance, a **Contract** is defined as each Contract having a value in excess of \$30,000 that is let by the City for professional services, personal services, or other goods or services of any other nature whether the Contract is awarded on a negotiated basis, request for proposal basis, competitive proposal basis or formal sealed competitive bids. The term **Contractor** includes proprietors of proprietorships, partners having an equity interest of 10% or more of partnerships, (including limited liability partnerships and companies), all officers and directors of corporations (including limited liability corporations), and all holders of 10% or more of the outstanding shares of corporations.

A STATEMENT DISCLOSING THE NAMES AND BUSINESS ADDRESSES EACH OF THOSE PERSONS WILL BE REQUIRED TO BE SUBMITTED WITH EACH BID OR PROPOSAL FOR A CITY CONTRACT. Completion of the attached form entitled "**Contractor Submission List**" will satisfy this requirement. Failure to provide this information may be just cause for rejection of your bid or proposal.

EXHIBIT VI

CITY OF HOUSTON CONTRACTOR OWNERSHIP DISCLOSURE ORDINANCE:

City Council requires knowledge of the identities of the owners of entities seeking to contract with the City in order to review their indebtedness to the City prior to entering contracts. Therefore, all respondents to this invitation to bid must comply with Houston Code of Ordinances Chapter 15, as amended (Sections 15-122 through 15-126) relating to the disclosure of owners of entities bidding on, proposing for or receiving City contracts. Provisions of this ordinance are provided in part in the paragraphs that follow. Complete copies may be obtained from the office of the City Secretary.

Contracting entity means a sole proprietorship, corporation, non-profit corporation, partnership, joint venture, limited liability company, or other entity that seeks to enter into a contract requiring approval by the Council but excluding governmental entities.

A contracting entity must submit at the time of its bid or proposal, an affidavit listing the full names and the business and residence addresses of all persons owning five percent or more of a contracting entity or, where a contracting entity is a non-profit corporation, the full names and the business and residence addresses of all officers of the non-profit corporation.

Completion of the "**Affidavit of Ownership or Control**", included herein, and submitted with the Official Bid or Proposal Form will satisfy this requirement. Failure to provide this information may be just cause for rejection of your bid or proposal.

5. The information shown below is true and correct for the Contracting Entity and all owners of 5% or more of the Contracting Entity and, where the Contracting Entity is a non-profit entity, the required information has been shown for each officer, i.e., president, vice-president, secretary, treasurer, etc. **[NOTE: IN ALL CASES, USE FULL NAMES, LOCAL BUSINESS AND RESIDENCE ADDRESSES AND TELEPHONE NUMBERS. DO NOT USE POST OFFICE BOXES FOR ANY ADDRESS. INCLUSION OF E-MAIL ADDRESSES IS OPTIONAL, BUT RECOMMENDED. ATTACH ADDITIONAL SHEETS AS NEEDED.]**

EXHIBIT VII

Drug Detection And Deterrence Procedures For Contractors

- (a) It is the policy of the City to achieve a drug-free workforce and to provide a workplace that is free from the use of illegal drugs and alcohol. It is also the policy of the City that the manufacture, distribution, dispensation, possession, sale or use of illegal drugs or alcohol by contractors while on City premises is prohibited. By executing this Contract, Contractor represents and certifies that it meets and shall comply with all the requirements and procedures set forth in the Mayor's Policy on Drug Detection and Deterrence, City Council Motion No. 92-1971 ("Mayor's Policy") and the Mayor's Drug Detection and Deterrence Procedures for Contractors, Executive Order No. 1-31 ("Executive Order"), both of which are on file in the Office of the City Secretary.
- (b) Confirming its compliance with the Mayor's Policy and Executive Order, Contractor, as a condition precedent to City's obligations under this Contract, will have filed with the Contract Compliance Officer for Drug Testing ("CCODT"), prior to execution of this Contract by the City, (i) a copy of its drug-free workplace policy, (ii) the Drug Policy Compliance Agreement substantially in the format set forth in Attachment "A" to the Executive Order, together with a written designation of all safety impact positions, and (iii) if applicable (e.g. no safety impact positions), the Certification of No Safety Impact Positions, substantially in the format set forth in Attachment "C" to the Executive Order. If Contractor files written designation of safety impact positions with its Drug Policy Compliance Agreement, it also shall file every six (6) months during the performance of this Contract or upon the completion of this Contract if performance is less than six (6) months, a Drug Policy Compliance Declaration in a form substantially similar to Attachment "B" to the Executive Order. The Drug Policy Compliance Declaration shall be submitted to the CCODT within thirty days of completion of this Contract. The first six (6) month period shall begin to run on the date City issues its notice to proceed hereunder or if no notice to proceed is issued, on the first day Contractor begins work under this Contract.
- (c) Contractor shall have the continuing obligation to file with the CCODT written designations of safety impact positions and Drug Policy Compliance Declarations at anytime during the performance of this Contract that safety impact positions are added if initially no safety impact positions were designated. Contractor also shall have the continuing obligation to file updated designations of safety impact positions with the CCODT when additional safety impact positions are added to Contractor's employee work force.
- (d) The failure of Contractor to comply with the above Sections shall be a breach of this Contract entitling City to terminate in accordance with Article IV.

**DRUG POLICY COMPLIANCE AGREEMENT
ATTACHMENT A**

I, _____ as an owner or officer of
(Name) (Print/Type) (Title)

(Name of Company) (Contractor)

have authority to bind Contractor with respect to its bid, offer or performance of any and all contracts it may enter into with the City of Houston; and that by making this Agreement, I affirm that the Contractor is aware of and by the time the contract is awarded will be bound by and agree to designate appropriate safety impact positions for company employee positions, and to comply with the following requirements before the City issues a notice to proceed.

1. Develop and implement a written Drug Free Workplace Policy and related drug testing procedures for the Contractor that meet the criteria and requirements established by the Mayor's Amended Policy on Drug Detection and Deterrence (Mayor's Drug Policy) and the Mayor's Drug Detection and Deterrence Procedures for Contractors (Executive Order No. 1-31).
2. Obtain a facility to collect urine samples consistent with Health and Human Services (HHS) guidelines and a HHS certified drug testing laboratory to perform the drug tests.
3. Monitor and keep records of drug tests given and the results; and upon request from the City of Houston, provide confirmation of such testing and results.
4. Submit semi-annual Drug Policy Compliance Declarations.

I affirm on behalf of the Contractor that full compliance with the Mayor's Drug Policy and Executive Order No. 1-31 is a material condition of the contract with the City of Houston.

I further acknowledge that falsification, failure to comply with or failure to timely submit declarations and/or documentation in compliance with the Mayor's Drug Policy and/or Executive Order No. 1-31 will be considered a breach of the contract with the City and may result in non-award or termination of the contract by the City of Houston.

CONFLICT OF INTEREST QUESTIONNAIRE:

Chapter 176 of the Local Government Code requires every Vendor or Contractor with the City of Houston ("City") to file a Conflict of Interest Questionnaire with the City Secretary of the City of Houston by the **seventh** business day after:

(1) any contract discussions or negotiations begin, or

(2) submitting an application, responses to requests for proposals, bids, correspondence, or any writing related to a potential agreement with the City.

The Conflict of Interest Questionnaire is available for downloading from the Texas Ethics Commission's website at <http://www.ethics.state.tx.us/forms/CIQ.pdf>. The completed Conflict of Interest Questionnaires will be posted on the City Secretary's website. There will also be a list of the City's Local Government Officers on the City of Houston's website.

Additionally, each Vendor or Contractor must file updated questionnaires no later than **September 1st** of each year that the Vendor or Contractor seeks to contract with the City, or the **seventh** business day after the date of an event that would render the questionnaire incomplete or inaccurate.

However, a Vendor or Contractor is not required to file a new questionnaire in any year if the vendor has completed a questionnaire between June 1st and September 1st of that year, unless the previous questionnaire is incomplete or inaccurate.

Original Conflict of Interest Questionnaire shall be filed with Houston's Records Administrator (Ms. Anna Russell, City Secretary, 900 Bagby, First Floor, Houston, Texas 77002). Vendors and Contractors shall include a copy of the form that was submitted to the City Secretary as part of the BID package. Any questions about filling out this form should be directed to your attorney

Failure of any Vendor or Contractor to comply with this law is a Class C misdemeanor.
