SUBJECT: Letter of Clarification No. 5 Baggage Handling and Aircraft Support Systems Maintenance and Hardstand Operations for the Houston Airport System

REFERENCE: Request for Proposal No. S17 – T24672

TO: All Prospective Proposers:

This Letter of Clarification is issued for the following reasons:

• **The following questions and City of Houston responses are hereby incorporated and made a part of the Request for Proposal:**

1. In Letter of Clarification 2, Question #21 about the bid bond, the City answers that "A bid bond is required at the time that the proposal is submitted". However, there is no information provided regarding this bond. Please clarify and provide information regarding the bid bond (ie, dollar value, etc.).

Answer: Please refer to Page 6 of the RFP Section 3.1.5.

2. In Letter of Clarification 4, Original Question #9 about parts consumption, the City clarifies that parts consumption over the last year for OSR work was \$362,711. With the new specification, it is our understanding that approximately half of this amount will now be included in Basic Services and covered by the vendor due to scope of work changes....please confirm.

Answer: The parts consumption number of \$362,711.00 could well reflect a higher contractor basic services amount, but probably is not valid for ascertaining what the future costs will be with the changes in the RFP.

This is the last Letter of Clarification that will answer questions, therefore, any additional questions will not be accepted.

When issued, Letter(s) of Clarification shall automatically become a part of the proposal documents and shall supersede any previous specification(s) and/or provision(s) in conflict with the Letter(s) of Clarification. All revisions, responses, and answers incorporated into the Letter(s) of Clarification are collaboratively from both the Strategic Purchasing Division and the applicable City Department(s). It is the responsibility of the proposers to ensure that it has obtained all such letter(s). By submitting a proposal on this project, proposers shall be deemed to have received all Letter(s) of Clarification and to have incorporated them into this proposal.

If you have any questions or if further clarification is needed regarding this Request for Proposal, please contact me.
