This correspondence serves as official notice that the City of Houston has completed its review of all bids submitted in response to the above referenced ITB. Please be advised that after careful examination and review of all bids, C. F. McDonald Electric, Inc. has complied with all the requirements of the ITB and submitted the lowest, responsive and responsible bid. Therefore, they were recommended to City Council for the award for the 69th Street Wastewater Treatment Plant Pump Station, Digester and Thickener Blower Switchgears, Sub-Station and Starter Replacement for the Public Works and Engineering Department.
