SUBJECT: Letter of Clarification No. 5

REFERENCE: Request for Proposal No. S10-H25308

PUBLIC ADDRESS SYSTEM SERVICES FOR THE HOUSTON AIRPORT SYSTEM.

This Letter of Clarification is issued for the following reason:

1. *While HAS desires to reuse existing microphone stations where possible, it is not a requirement. If Proposer-proposed solutions are unable to reuse the existing microphone stations due to incompatibility or if the proposed solution will violate any applicable patents or copyrights, Proposers may submit alternate pricing to replace the existing microphone stations. For estimating purposes, assume a total of 240 microphone stations at IAH and 69 microphone stations at HOU. Approximately 23 of the HOU microphone stations and 182 of the IAH microphone stations are analog and will require new data cabling.*

When issued, Letter(s) of Clarification shall automatically become a part of the proposal documents, and shall supersede any previous specification(s) and/or provision(s) in conflict with the Letter(s) of Clarification. It is the responsibility of the Proposer to ensure that they have obtained any such previous Letter(s) associated with this solicitation. By submitting a response on this Proposal, Proposers shall be deemed to have received all Letter(s) of Clarification and have them incorporated into this Proposal.

If you should have any questions or if further clarification is needed regarding this Proposal, please contact Greg Hubbard at greg.hubbard@houstontx.gov, or at 832.393.8748.

Sincerely,

Greg Hubbard
