

Emergency Phone Numbers

Keep this list of telephone numbers near your phone so you know who to call for any situation.

Write Your Local Non-Emergency Number Here

Your local jurisdiction may have a non-emergency line for police, fire, or public works. This is for use when there is **no immediate threat** to life or safety.

Emergency Police - Fire - Ambulance

9-1-1

Call 9-1-1 only for emergencies that threaten life or property. This easy-to-remember number can be dialed from any phone, including cell phones.

Report Suspicious Activity

855-492-8244

We all play a role in helping secure our public spaces. If you see someone acting suspiciously, call **855-i-Watch-4**. For crimes in progress, dial 9-1-1.

211 Texas / United Way Helpline

2-1-1

2-1-1 helps connect you with resources in your community. You can also call 2-1-1 to register for emergency transportation assistance through STEAR.

Houston Red Cross

866-526-8300

Your local Red Cross chapter provides emergency response services after disasters. They also offer first aid and CPR training and disaster preparedness classes.

Disaster Distress Helpline

800-985-5990

This national hotline provides crisis support to people experiencing distress from a natural or man-made disaster. You can also text **Talk With Us** to **66746**.

Poison Control Center

800-222-1222

Experts from the poison control center can help you if someone has breathed, eaten, or touched chemicals, or taken the wrong medicine. You can also call 9-1-1.
