SUBJECT: Notice of Contract Award

RE: Request for Qualifications (RFQ): Q29882- Stormwater Master Plan

To Whom It May Concern:

This correspondence serves as official notice that the City of Houston has completed its review of all submissions received in response to the above referenced RFQ. Please be advised that after careful examination and review of all proposal(s) consistent with the RFQ, the evaluation committee determined that **HDR Engineering, Inc., Lockwood, Andrews, & Newnam, Inc., Black & Veatch Corporation, Arcadis U.S., Inc., and Gauge Engineering, LLC.** complied with all requirements and were the best respondents. Therefore, Houston Public Works and the Housing and Community Development Department recommended it to City Council for award.

City Council approved the award on August 24, 2022.

We appreciate your interest in wanting to do business with the City of Houston and encourage your continued interest in all future procurements. Should you need additional information, please contact Yesenia Chuca at (832) 393-8727.

Sincerely,
