Safety Equipment & Traffic Safety Devices

Reference: Invitation to Bid (ITB) No.: S24498

To All Prospective Bidders:

This Letter of Clarification is issued for the following reasons:

- To revise the above referenced solicitation as follows:
  1. At the City's Electronic Website, Group 4, Item No. 1 has **changed**.
- To answer the following questions:
  1. Question: *"Group 4 specifies a 28", 9.5 lbs orange cone with 6" and 4" bands. However, we are completely unable to find a cone that comes specifically at 9.5lbs, even after speaking with various manufacturers. What we have found is that they come in 7 and 10 lbs.*  
  
Answer: *"10 lbs is acceptable."*
  2. Question: *"The **Lacrosse Insulated Hip Boots**, do they definitely want the Boots to be **Insulated** or will a Hip Boot that is **not insulated** be accepted?"*  
  
Answer: *"Lacrosse Insulated Hip Boots are what is being requested by the department, however; if the vendor wants the City to review other boots, they can submit multiple bids for this/these item (s)."*
- Due to the aforementioned change(s) to the e-bidding items you may need to edit your bid. To do so, please select the "Bid Number" and proceed accordingly.

This Letter of Clarification will be considered part of the solicitation referenced on the first page of this document. All revisions, responses, and answers incorporated into the Letter(s) of Clarification are collaboratively from both the Strategic Purchasing Division and the applicable City Department(s).
