Subject: Letter of Clarification No. 1

Reference: Invitation to Bid (ITB) No.: S56-S24821 for Concrete and High Density Polyethylene (HDPE) Drainage Materials for the Public Works and Engineering Department

To All Prospective Bidders:

This Letter of Clarification is issued for the following reason:

- To answer the following question:

1. Question: *"Good afternoon, I was looking on your web site to quote this project, is there only one item of the HPDE pipe (24)"?*  
*"I don't know if there were some changes made to this quote and if so how would I go about finding them?"*

Answer: *"If the quantity is one (1), that is a place holder so that we can get a quote on what that particular item will cost in case we need it."*  
*"Changes are made only by the issuance of a Letter of Clarification and are immediately posted to the e-bid site."*

This Letter of Clarification will be considered part of the solicitation referenced above. All revisions, responses, and answers incorporated into the Letter(s) of Clarification are collaboratively from both the Strategic Purchasing Division and the applicable City Department(s).

Furthermore, it is the responsibility of each BIDDER to obtain any previous Letter(s) of Clarification associated with this solicitation.
