GENERAL TERMS AND CONDITIONS
SOLICITATION NO.: S44-T24117

1.3 INDEMNIFICATION-SUBCONTRACTOR'S INDEMNITY

1.3.1 CONTRACTOR SHALL REQUIRE ALL OF ITS SUBCONTRACTORS (AND THEIR SUBCONTRACTORS) TO RELEASE AND INDEMNIFY THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE AND INDEMNITY TO THE CITY.

2.0 INDEMNIFICATION PROCEDURES:

2.1 Notice of Claims. If the City or Prime Contractor receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving party shall give written notice to the other party within 30 days. The notice must include the following:

2.1.1 a description of the indemnification event in reasonable detail,

2.1.2 the basis on which indemnification may be due, and

2.1.3 the anticipated amount of the indemnified loss.

2.2 This notice does not stop or prevent the City from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If the City does not provide this notice within the 30-day period, it does not waive any right to indemnification except to the extent that Prime Contractor/Supplier is prejudiced, suffers loss, or incurs expense because of the delay.

2.3 Defense of Claims.

2.3.1 Assumption of Defense. Prime Contractor may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the City. Prime Contractor/Supplier shall then control the defense and any negotiations to settle the claim. Within 10 days after receiving written notice of the indemnification request, Prime Contractor must advise the City as to whether or not it will defend the claim. If Prime Contractor does not assume the defense, the City shall assume and control the defense, and all defense expenses constitute an indemnification loss.

2.3.2 Continued Participation. If Prime Contractor elects to defend the claim, the City may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations. Prime Contractor may settle the claim without the consent or agreement of the City, unless it (i) would result in injunctive relief or other equitable remedies or otherwise require the City to comply with restrictions or limitations that adversely affect the City, (ii) would require the City to pay amounts that Prime Contractor does not fund in full, (iii) would not result in the City's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

3.0 INSURANCE REQUIREMENTS:

3.1 The Contractor shall obtain and maintain in effect during the term of this Agreement, insurance coverage as set forth below and shall furnish certificates of insurance showing the City as an additional insured, in duplicate form, prior to the beginning of the Contract. EACH AUTO USED IN PERFORMANCE OF THIS CONTRACT MUST BE COVERED IN THE LIMITS SPECIFIED.

3.4 If the City of Houston requires you to maintain in effect insurance coverage during the term of a contract resulting from the City's acceptance of your response to this request for proposal ("potential contract"), all of your insurance policies must require on their face, or by endorsement, that your insurance carrier waives any rights of subrogation against the City of Houston except for Professional Liability insurance. You must give 30-days' written notice to the City Purchasing Agent if any of your insurance policies are to be cancelled, materially changed, or not renewed. Within this 30-day period, you shall provide other suitable policies in lieu of those about to be canceled, materially changed, or not renewed so as to maintain in effect the required coverage. If you do not comply with this requirement, the Purchasing Agent, at his or her sole discretion, may: (1) immediately suspend you from any further performance under the potential contract and begin procedures to terminate for default, or (2) purchase the required insurance with City funds and deduct the cost of the premiums from amounts due to you under the potential contract.

This provision does not affect the applicable statute of limitations.

6.0 INTERPRETING SPECIFICATIONS:

6.1 *The specifications and product references contained herein are intended to be descriptive rather than restrictive. The City is soliciting Proposals to provide a complete product and service package, which meets its overall requirements. Specific equipment and system references may be included in this RFP for guidance, but they are not intended to preclude Offeror(s) from recommending alternative solutions offering comparable or better performance or value to the City. Unless specifically stated otherwise with regard to a specific item of equipment, it should be assumed that the City requires all equipment proposed for this project to be supported by a manufacturer's warranty, which is equal to or better than the prevailing standard in the industry.*

6.2 Changes in the specifications, terms and conditions of this RFP will be made in writing by the City prior to the Proposal due date. Results of informal meetings or discussions between a potential Offeror(s) and a City of Houston official or employee may not be used as a basis for deviations from the requirements contained in this RFP.

1.0 Scope of Work

The City of Houston (COH) is soliciting proposals from vendors specializing in Automated Motorpool and Car-Sharing Systems for its pooled fleet vehicles located in multiple downtown garages. The objective is to create a downtown motorpool pilot project that will help the city consolidate pooled vehicles across the various departments located downtown. The projects goals are to automate the reservation, check-out, management, and reporting of city pooled vehicles.

1.1 Summary

1.2 The City of Houston's Fleet Management Division is seeking an Automated Motorpool Solution to manage its pool vehicles located at three downtown garages. The general requirements are for a system that automates vehicle reservation, check-out/in of vehicles, usage tracking, and reporting with a web-based front-end for reservation and web-based back-end for administration.

1.3 This solution will be launched as a pilot program on vehicles at the city's downtown location. The pilot will consist of 40-60 vehicles and will serve employees in ten departments located in three adjacent buildings in downtown Houston.

1.4 The city would like a "turn-key" or "out-of-the-box" solution with one contract through one vendor that takes ultimate responsibility for the requirements herein.

2.0 Fleet Description

2.1 At the COH's downtown location there are approximately 160 assigned and pooled non-emergency vehicles from 10 city departments. The winning bidder's solution will be launched as a pilot program on approximately 40-60 of these vehicles and will serve employees in these ten departments located in three adjacent buildings in downtown Houston.

2.2 Importantly, COH is launching this program alongside its electric vehicle initiative and expects 25 fully battery-operated electric vehicles to be included in the downtown shared vehicle pool.

2.3 In terms of future expansion, the COH Fleet includes approximately 3,400 non-emergency light duty vehicles including 800+ sedans, 700+ SUVs, 300+ vans, and 1,500+ pick-up trucks that are classified 3/4 ton (8600 lbs. GVWR) or lighter. These vehicles are spread across a city measuring 640+ square miles. There are approximately 60 locations with 10+ vehicles.

2.4 Due to age and technological requirements, it is understood that the solution might not function on all vehicles, but is expected to generally be operable on most light duty passenger vehicles manufactured in the year 2000 or later, not all of which are equipped with power windows and/or power door locks.
