- **To provide additional clarity to question number 15 issued in Letter of Clarification No. 3:**

15. Question Regarding the answer to question #15 of COH Clarification Letter #2 of 20 - 25 patrol vehicles and the response you provided in Clarification Letter #3 that the vendor is responsible for removing all components & wiring of the current systems installed, we would like additional clarification on the number of units if possible. Your answer mentioned 20 to 25. This effects our strategy for trade ins and costs for removal. An exact number of units would be appreciated if possible.

Answer There are 18 installed with 2 on reserve (not installed).
