The Houston Airport System ("HAS") provides a safe and dynamic air services network that fosters economic vitality for the transportation industry and the greater Houston region.

To bring air service to Houston's population of more than 5.9 million, HAS operates the City of Houston's three (3) major Airports:

- George Bush Intercontinental Airport/Houston (IAH)
- William P. Hobby Airport (HOU)
- Ellington Airport (EFD)

The three-airport system served more than 50 million passengers in 2013, including more than 8.9 million international travelers. HAS forms one of North America's largest public airport systems and positions Houston as the international passenger and cargo gateway to the south central United States and is a primary gateway to Latin America.

HAS is seeking proposals ("Proposals") for Retail Concessionaires to develop and operate retail concession packages at George Bush Intercontinental Airport.

In the event you do not have download capability, the RFP may also be obtained from the Houston Airport System, Supply Chain Management Office, 18600 Lee Road, Humble, Texas 77338.

4.0 SPECIAL TERMS AND CONDITIONS

4.1 **AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISES(ACDBE)**

4.1.1 **Policy** The City has established an Airport Concessions Disadvantaged Business Enterprise (ACDBE) Program in accordance with regulations of the U.S. Department of Transportation ("DOT"), 49 CFR Parts 23 and 26. The City has received Federal financial assistance from the DOT and as a condition of receiving this assistance, the City has signed an assurance that it shall comply with 49 CFR Parts 23 and 26, and by executing this Agreement, Concessionaire agrees to comply with that assurance as well as all other applicable assurances. It is the policy of the DOT and the City to ensure that ACDBEs, as defined in Part 23, have the maximum opportunity to receive and participate in the performance of concession contracts and subcontracts at the Airport. Consequently, the ACDBE requirements of 49 CFR Parts 23 (and 26, as applicable) are hereby incorporated by reference in this Agreement. Concessionaire agrees to ensure that ACDBEs have the maximum opportunity to participate in the performance of contracts and subcontracts under this Agreement. In this regard, the City also shall take all necessary and reasonable steps in accordance with 49 CFR Part 23 to ensure that ACDBEs have the maximum opportunity to compete for and perform contracts and subcontracts hereunder. The City, Concessionaire and its subcontractors shall not discriminate on the basis of race, color, national origin, or sex in the award of contracts or subcontracts under this Agreement.

4.1.1.1 The Director of the Office of Business Opportunities of the Mayor's office is the ACDBE Liaison Officer. In that capacity, the Director is responsible for implementing all aspects of the ACDBE program. Implementation of the ACDBE program is accorded the same priority as compliance with all other legal obligations incurred by the City in its financial assistance agreements with the DOT.

4.1.2 **Nondiscrimination (49 CFR Part 23.9)** This Agreement is subject to DOT's regulations, 49 CFR Part 23. Consequently, the Concessionaire agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23.

4.1.2.1 The Concessionaire agrees to include the above statements in any subsequent concession agreement, subcontract or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in further agreements.

4.1.3 **Contract Goal** Concessionaire shall make Good Faith Efforts, as defined in City of Houston Ordinance No. 99-893, as amended, and 49 CFR Parts 23 and 26, to ensure that at least 30% of the Gross Sales under this Agreement are attributable to Certified ACDBEs, as defined in the City's ACDBE Program. In the event that the operation of some concession facilities are subcontracted to a joint venture that is partially owned by a Certified ACDBE, credit towards the Contract Goal will be granted for a percentage of the joint venture's Gross Sales equal to the percentage of the joint venture owned by ACDBEs, if consistent with all relevant FAA regulations, 49 CFR Part 23, City ordinances, and City of Houston Office of Business Opportunities' policies. If the Concessionaire is unable to achieve this goal under joint venture, partnership, franchise, or similar legal arrangement, Concessionaire shall seek to obtain the required ACDBE participation by other means, such as purchase of goods, services, supplies and/or products from Certified ACDBE vendors.

4.1.3.1 The Concessionaire shall submit information concerning the ACDBEs that shall participate in this Agreement. The information shall include the name and address of each ACDBE, a description of the work to be performed by each named firm, the dollar value of the contract or subcontract, Concessionaire's written commitment to use such ACDBEs; and written confirmation from the ACDBEs that they are participants in the contract. If the Concessionaire fails to achieve the contract goal stated therein, it shall be required to provide documentation demonstrating that it made Good Faith efforts.

SPECIAL TERMS AND CONDITIONS
SOLICITATION NO.: H08-IR1-2015-003

- 4.1.3.2 Throughout the Term of this Agreement, Concessionaire agrees that it shall continue to utilize qualified and available ACDBE firms which have been and continue to be certified to fullest extent which is reasonably possible to achieve and to an extent necessary to comply with the above-stated goals.
- 4.1.3.3 The Concessionaire shall establish and maintain records and submit regular reports, as required by the Director and the Director of the Office of Business Opportunities, which shall identify and assess progress in achieving ACDBE subcontract goals and other ACDBE efforts.
- 4.1.4 **Compliance** Concessionaire is hereby notified that failure to carry out the Policy, Nondiscrimination, and the Contract Goal provisions as set forth herein, shall constitute a breach of contract which may result in termination of this Agreement or such other remedy as deemed appropriate by the City.
- 4.1.4.1 Each Agreement year, Concessionaire, no later than sixty days following the end of each such year, shall provide to the Director of the Office of Business Opportunities the following ACDBE information: (i) the name and address of each Certified ACDBE with which it has done business during the past Agreement year; (ii) a description of the nature of the services performed by and/or items purchased from each firm named; and (iii) the dollar value of such services performed by and/or items purchased from each firm named.

- 4.1.5 **Termination of ACDBE Subcontractor** Concessionaire shall not terminate for convenience an ACDBE subcontractor and then perform the work of the terminated subcontract with its own forces or those of an affiliate without the Director of the Office of Business Opportunities prior written consent.
- 4.1.5.1 When an ACDBE subcontractor is terminated for cause or fails to complete its work under its agreement with Concessionaire for any reason, Concessionaire must notify the Director of the Office of Business Opportunities in writing prior to any such termination of ACDBE Subcontractor's inability or unwillingness to perform, provide reasonable documentation, and must make good faith efforts to find another ACDBE subcontractor to substitute for the original DBE. These good faith efforts shall be directed at finding another ACDBE to perform at least the same amount of work under this Agreement as the ACDBE that was terminated, to the extent needed to meet the contract goal. Concessionaire shall obtain prior written approval of the Director of the Office of Business Opportunities of the substitute ACDBE and provide copies of new or amended subcontracts, and documentation of Good Faith Efforts.
- 4.1.6 **DBE Obligation (49 CFR Part 26.7)** The City shall never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR Parts 23 and 26 on the basis of race, color, sex, or national origin.
- 4.1.6.1 In administering its ACDBE program, the City shall not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the ACDBE program with respect to individuals of a particular race, color, sex, or national origin.

4.2.2 Completion of **Exhibit VI** – “Affidavit of Ownership or Control” will satisfy this requirement. Failure to provide this information may be just cause for rejection of your Proposal.

4.3 CITY OF HOUSTON FAIR CAMPAIGN ORDINANCE

4.3.1 The City of Houston Fair Campaign Ordinance makes it unlawful for a Contractor to offer any contribution to a candidate for City elective office. For purposes of this ordinance, a contract is defined as any contract for goods or services having a value in excess of \$30,000 or more, regardless of the way by which it was solicited or awarded. **EXHIBIT V** of this RFP describes the contract and documentation requirements relating to this Ordinance.

4.4 DRUG DETECTION AND DETERRENCE PROCEDURES FOR CONTRACTORS

4.4.1 It is the policy of the City to achieve a drug-free workforce and to provide a workplace that is free from the use of illegal drugs and alcohol. It is also the policy of the City that the manufacture, distribution, dispensation, possession, sale or use of illegal drugs or alcohol by Contractors while on City premises is prohibited. Accordingly, effective September 1, 1994, and pursuant to the Mayor's Executive Order 1-31, as a condition to the award of any contract for labor or services, a successful Proposer(s) must certify to its compliance with this policy. **EXHIBIT VII** contains the standard language, which will be used in each contract for labor or services, as well as the Executive Order 1-31 disclosure and compliance forms (Attachments A, B, and C). 1.0 SCOPE OF WORK

1.1 GENERAL OVERVIEW

1.1.1 Qualified parties are invited to submit proposals to develop and operate retail concession packages at George Bush Intercontinental Airport: Retail Package IAH 1; Retail Package IAH 2; and Retail Package IAH 3. Parties may propose on all three packages however, a single respondent will not be awarded more than one package.

1.1.1.1 Proposer shall complete and submit with Proposal **EXHIBIT XVI**, on which Proposer shall prioritize its preference for operating IAH Retail Packages 1 - 3.

1.1.2 The goals of the concession program are to:

1.1.2.1 Provide first-class service and a broad variety of quality merchandise at reasonable prices to travelers and Airport users

1.1.2.2 Provide innovative facility designs that complement the design of the terminal

1.1.2.3 Provide business opportunities for Airport Concession Disadvantaged Business Enterprises ("ACDBE")

1.1.2.4 Optimize concession sales and Airport revenues; and

1.1.2.5 Provide uninterrupted service to the traveling public during all phases of the renovation and expansion program at the Airport.

1.2 GENERAL INFORMATION

1.2.1 Enplanement and Sales History

IAH	FY 2010	FY 2011	FY 2012	FY2013	*FY2014
Enplanements Activity	20,133,111	20,203,358	20,145,587	19,787,885	18,257,524
Gross Retail Sales	\$31,975,255	\$35,860,995	\$39,745,430	\$42,432,417	\$40,680,986

The fiscal year runs from July through June. *FY2014 are unaudited sales.

1.2.1.1 Sales history by location is provided in **ATTACHMENT "B"**.

1.2.2 Airport Improvement Projects

1.2.2.1 The Houston Airport System (HAS) and United Airlines, Inc. (United), in consultation with the foreign flag airlines at George Bush Intercontinental Airport/Houston (IAH), have reached an agreement regarding the redevelopment of Terminals B, C and D to support international air service. The project will consist of several components and is expected to be constructed over several years (a precise schedule has not been developed at this time).

1.2.2.2 Terminal B North Pier

United will construct and operate a new 11-gate pier on the north side of Terminal B. This pier has been planned for some time as part of United's phased redevelopment of Terminal B, which started with the completion of the new Terminal B South Concourse. The pier will connect to gates C24-C27 in Terminal C. The Terminal B pier is anticipated to be completed by the end of 2016. United will be responsible for the concession program in the Terminal B pier, so all locations are excluded from the scope of this RFP.

1.2.2.3 Terminal C North Redevelopment

Upon completion of the Terminal B North Pier, United will vacate Terminal C North, gates C14-23, and HAS will either renovate or demolish and rebuild this space to ultimately become part of a new, enlarged Mickey Leland International Terminal (MLIT). Prior to construction, the locations in Terminal C North will be available as concessions under this RFP. Given the short time frame these locations will be available, HAS expects the concession build out to be minimum and temporary.

SCOPE OF WORK - IAH RETAIL PACKAGE ONE
SOLICITATION NO.: H08-IR1-2015-003

- 1.2.2.3.1 The construction is expected to take approximately two years and, when complete, will be known as the D1 Pier within the new MLIT. HAS will be issuing separate RFPs for the concessions in the new MLIT at a later date, so all locations in the new MLIT are excluded from the scope of this RFP.
- 1.2.2.4 Terminal D Redevelopment – West Side
Upon completion of the Terminal C North redevelopment, HAS will relocate the foreign flag carriers in the west side of the existing Terminal D to the new D1 Pier. The west side of Terminal D will be demolished and reconstructed as part of the new MLIT. Prior to construction, the locations in the west side of Terminal D will be available as concessions under this RFP. Given that these locations will be taken back by HAS after roughly 4 to 5 years, HAS will buyout the unamortized investment of any concessionaire operating in the space.
- 1.2.2.4.1 Construction is anticipated to take up to two years and, when complete, the space will become a part of the new MLIT. HAS will be issuing separate RFPs for the concessions in the new MLIT at a later date, so all locations in the new MLIT are excluded from the scope of this RFP.
- 1.2.2.5 Terminal D Redevelopment – East Side
Upon completion of the Terminal D west side redevelopment, HAS will relocate the foreign flag carriers in the east side of the existing Terminal D to either the west side or the new D1 Pier. The east side of Terminal D will be demolished and reconstructed as part of the new MLIT. Prior to construction, the locations in the east side of Terminal D will be available as concessions under this RFP. Given that these locations will be taken back by HAS after roughly 6 to 7 years, HAS will buyout the unamortized investment of any concessionaire operating in the space.
- 1.2.2.5.1 Construction is anticipated to take up to two years and, when complete, the space will become a part of the new MLIT. HAS will be issuing separate RFPs for the concessions in the new MLIT at a later date, so all locations in the new MLIT are excluded from the scope of this RFP.
- 1.3 MINIMUM QUALIFICATIONS:** To be eligible to participate in this procurement, Proposer must meet the following minimum qualifications:
- 1.3.1 Submission of a complete proposal package completed in full in response to this RFP;
- 1.3.2 Provide evidence that Proposer have a minimum of three (3) years' prior experience within the last five (5) years in the marketing, development, operating, and management of retail concessions at airports, other transportation facilities, shopping centers, malls, or metropolitan or suburban areas. Such prior experience must be with operations as large or larger in size and scope to that being proposed in terms of square footage and/or sales volume.
- 1.3.3 Proposer shall submit with its Proposal documentation that demonstrates Proposer is duly authorized to conduct business within the State of Texas; and
- 1.3.4 If the Proposer is a partnership, joint venture or newly formed entity (e.g. limited liability company or corporation), the minimum requirements set forth in this Section 1.3 (and throughout the RFP) must be satisfied by the entity or individual(s) that owns and controls a majority equity interest (at least 51%) of the partnership, joint venture or newly formed entity.
- 1.4 COMPENSATION TO THE CITY**
- 1.4.1 In consideration of the rights and privileges to be granted to the Selected Proposers by the City, each Selected Proposer will pay to the City, without demand, a sum equal to the greater of the Minimum Annual Guarantee ("MAG") or the Percentage Fee (to equal the Percentage Fee Rate multiplied by gross revenues) (**EXHIBIT III**).
- 1.4.2 Proposers shall propose a Percentage Fee Rate(s) of no less than 14% for Retail for the Term by location, product category and/or revenue levels, as desired.
- 1.4.3 Beginning on the effective date of the agreement and for a period of 12 months there will be no MAG. The MAG for the second full 12-month period and each 12-month period thereafter shall be 85% of the actual fees paid to the City during the preceding 12-month period.

HOUSTON FRIENDLY STANDARDS - IAH RETAIL PACKAGE ONE

SOLICITATION NO.: H08-IR1-2015-003

The Houston Airport System (HAS) strives to exemplify excellence in the area of customer service and works tirelessly to provide a seamless approach to our guests' entire airport experience. With this goal in mind, we have developed a spirit of service that is grounded in the phrase, "Houston Friendly."

"Houston Friendly" helps our team members recognize and follow a set of standards, covering everything from Appearance, to Behavior and Service Standards. These requirements apply to all airport employees, and adherence to them is a condition for employment within the HAS team.

Chances are, you've heard the expression, "A picture is worth a thousand words." It's a common phrase that emphasizes the fact that simple images can have a powerful and lasting impact on individuals. It's also worth noting that this powerful reaction can be either positive or negative, depending on the person's interpretation and point of view.

For the HAS team, the "pictures" that we create for our guests will greatly influence their opinion, not only of the airport(s) they visit, but in many ways for the city of Houston itself. That's why it's so important that we collectively express and convey a sense of motivation, professionalism and confidence, because we are not only representing ourselves and our employer, but our community as well.

This willingness to help and positive attitude is also important when asked to offer assistance to our airport customers. This may involve directions to food and/or merchandise options or help in finding a specific airline gate or other part of the facility. Regardless of the question, your appearance, behavior and attitude are all critical elements that will play a key factor in shaping the passenger's initial impression. Your response must exhibit your commitment and dedication to your job. In an effort to develop consistency in this area, we have developed a set of uniform guidelines for all employees to use in projecting an image that "Wow's" our passengers.

Everyone within the HAS organization must remember that travelers do have a choice in regards to the mode of transportation that they choose to use. When that choice involves a trip through a Houston airport, the entire HAS team wins. As a result, we must do everything possible to exceed the customer's expectations, ensuring each and every one of them that they are appreciated and valued.

In addition to our commitment to remain FOCUSED on being "Houston Friendly", these standards have been developed to ensure a picture perfect approach to service. Some expectation examples include but are not limited to the following:

Appearance Standards:

These guidelines apply while you are on airport property.

- ▲ Employees will maintain a well groomed, neat, professional clean appearance at all times. Additionally, use of antiperspirants or deodorant is required at all times.
 - ▲ Uniforms will be clean and neatly pressed at all times.
 - ▲ Name tags will be worn when applicable at all times.
 - ▲ Shirts must be tucked in.
 - ▲ Pants must be worn at waist level and with a belt, if applicable.
 - ▲ Sunglasses may not be worn indoors while working unless the glasses are prescribed by a doctor or required by safety guidelines laid out by supervisor.
 - ▲ Tattoos, brandings, or body piercing, other than the traditional ear piercing (a limit of 2 per ear) should not be visible to our customers.
 - ▲ Extremes in dyeing, bleaching or color of the hair are prohibited. The hair must be a natural color (for example, brown, blond, auburn, or black) and well maintained. In addition, non-businesslike hair styles should be avoided.
 - ▲ Fingernail polish should be complementary to your skin tone. Polishes not permitted include neon, and multicolored.
 - ▲ Nails should not extend more than 1/4 inch from the ends of your fingertips. This is particularly important for food and beverage employees. Long nails interfere with the customer service, sales operations or potentially represent a health hazard.
 - ▲ Jewelry should be conservative and kept to a minimum.
- Team members should adhere to the City of Houston Dress Code, wear a clean and pressed uniform with proper credentials and are properly groomed to HAS appearance standards.

For more information about Houston Airport System,
visit www.tfy2houston.com

Behavioral Standards

- ▲ Employees must maintain eye contact while conversing with customers and fellow employees. This standard is suspended when cultural sensitivity and/or differences requires it. If you have any questions on which culture(s) may not be appreciative of direct eye contact, please contact the External Affairs Department for clarification.
- ▲ Employees must refrain from using foul or inappropriate language at any time in the workplace or on the airport property while in uniform or badged.
- ▲ Employees will refrain from eating, drinking, chewing gum, smoking or talking on personal cell phones in the presence of customers while on duty. Personal iPods/mp3 players or ear phone buds are not permitted at any time while employees are on duty.
- ▲ Employees must remain calm when encountering upset or irate customers (classes are available to help employees with this).

HOUSTON FRIENDLY IS:

Customer FOCUSED – Employee Driven

F – Friendly
O – Observant
C – Consistent
U – Understanding
S – Superior
E – Engaged
D – Driven

Service Standards

- ▲ Team members should greet the guest in a professional manner.
- ▲ Team members should use the guest's name appropriately (when known).
- ▲ Team members should anticipate guest needs and/or offer helpful suggestions
- ▲ Team members should provide extraordinary service, e.g. having fun, paying a compliment, being flexible. Team members should demonstrate sincerity and professionalism through body language and tone of voice.
- ▲ Team members should demonstrate sincerity and professionalism through body language and tone of voice.
- ▲ Team members that receive a complaint should listen, apologize, solve, thank and follow up (where applicable).
- ▲ Team members should communicate and work professionally with co-workers and other departments (present the airport in a positive light)

The success of these standards rest with the good judgment of each individual. The above guidelines are not intended to be all-inclusive. Rather, the guidelines are intended to help set general parameters for proper attire and allow employees to make intelligent judgment about items that are not specifically addressed.

THAT WE, _____, as principal, hereinafter called "Concessionaire" and the other subscriber hereto as Surety, do hereby acknowledge ourselves to be held and firmly bound to the City of Houston, a municipal corporation ("City") in the sum of _____ (\$ _____) for the payment of which sum, well and truly to be made to the City of Houston, and its successors, Concessionaire and Surety do bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

THE CONDITIONS OF THIS OBLIGATION ARE SUCH THAT:

WHEREAS, on or about this day, the Concessionaire has entered into a contract in writing with the City of Houston, Texas, for _____ ("Contract") which is made a part of this instrument as fully and completely as if set out in full herein.

NOW, THEREFORE, if Concessionaire shall faithfully and strictly perform the Contract in all its terms, provisions, and stipulations in accordance with its true meaning and effect, and shall comply strictly with each and every provision of the Contract and with this bond, and shall promptly pay to the City of Houston in full the sums of money that become due and payable to it under the terms of the Contract, including attorney fees, and shall indemnify, and hold harmless the City, its officers, agents, and employees as required by the Contract, then this obligation shall become null and void and shall have no further force and effect; otherwise the same is to remain in full force and effect, and the sum of \$ _____ shall be payable to the City of Houston on demand.

It is further understood and agreed that the Surety has full faith and confidence in the integrity and ability of Concessionaire to perform under the Contract, and the Surety does hereby relieve the City of Houston and its representatives from the exercise of any diligence whatever in securing compliance on the part of Concessionaire with the terms of the Contract, and the Surety waives any notice to it of any default, or delay by Concessionaire in the performance of this Contract and agrees that it, the Surety, shall be bound to take notice of and shall be held to have knowledge of all acts or omissions of Concessionaire, its agents and representatives in all matters pertaining to the Contract.

It is further expressly agreed by the Surety that the City of Houston or its representatives are at liberty at any time, without notice to the Surety, to make any changes, extensions or modifications in the Contract, and in the work to be done thereunder, as provided in the Contract, and in the terms and conditions thereof, or to make any changes in, addition to, or deduction from the work to be done thereunder; and that such changes, if made, shall not in any way vitiate the obligation in this bond and undertaking, or release the Surety therefrom. The Surety hereby expressly waives notice of all changes, extensions and modifications to the Contract.

IT IS EXPRESSLY AGREED THAT SURETY AND CONCESSIONAIRE WILL FULLY AND COMPLETELY INDEMNIFY AND HOLD HARMLESS THE CITY OF HOUSTON FROM AND AGAINST ANY LIABILITY, LOSS, COST, EXPENSE AND DAMAGE ARISING OUT OF OR RESULTING FROM ANY FAILURE ON THE PART OF CONCESSIONAIRE, ITS AGENTS, EMPLOYEES AND REPRESENTATIVES, TO FAITHFULLY AND FULLY PERFORM UNDER THE CONTRACT, AS THE SAME MAY BE CHANGED, EXTENDED OR MODIFIED. THE SURETY'S OBLIGATION SHALL NOT EXCEED THE AMOUNT OF THIS BOND.
