### **CONTRACTOR'S HOURLY RATES FOR SERVICES AT TIME AND MATERIALS**

1. The hourly rate for Support Services performed between the hours 9:00 A.M. and 5:00 P.M. shall be \$200.00.
2. The hourly rate for Support Services performed during hours other than those set out in subsection 1, above, and on Contractor's holidays shall be \$300.00.
3. The minimum billable time period for each Support Service call and for all work performed pursuant to subsections 1 and 2 above, in conjunction with such Support Service calls shall be four hours. City is not entitled to credit for any unused time during a call and Contractor shall not carry over such unused time to any previous or subsequent Support Service calls provided to City.
4. City shall pay travel time and a mileage rate of \$0.585 per mile in addition to the rates set out in subsections 1 and 2 above.
5. Contractor may only charge Other Direct Costs (ODCs) that it specifically identifies in advance and for which it obtains advance authorization from City.
6. Other Direct Materials – Contractor may include reasonable and allocable material handling costs or general and administrative expenses in the charge for materials/ODCs when such costs have been approved in advance by City and to the extent Contractor has clearly excluded such

costs from its hourly rates set out in subsections 1 and 2 above.

Contractor's material handling costs must comprise indirect costs, including, when appropriate, general and administrative expenses allocated to direct materials in accordance with Contractor's usual accounting practices.
