2.0 INDEMNITY AND RELEASE:

2.1 RELEASE

PRIME CONTRACTOR/SUPPLIER AGREES TO AND SHALL RELEASE THE CITY, ITS AGENTS, PERSONNEL, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE CITY) FROM ALL LIABILITY FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT, EVEN IF THE INJURY, DEATH, DAMAGE, OR LOSS IS CAUSED BY THE CITY'S SOLE OR CONCURRENT NEGLIGENCE AND/OR THE CITY'S STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY.

2.2 INDEMNIFICATION:

PRIME CONTRACTOR/SUPPLIER AGREES TO AND SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY, ITS AGENTS, PERSONNEL, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY "THE CITY") HARMLESS FOR ALL CLAIMS, CAUSES OF ACTION, LIABILITIES, FINES, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEY'S FEES, COURT COSTS, AND ALL OTHER DEFENSE COSTS AND INTEREST) FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT INCLUDING, WITHOUT LIMITATION, THOSE CAUSED BY:

- 2.2.1 PRIME CONTRACTOR/SUPPLIERS AND/OR ITS AGENTS', PERSONNEL', EMPLOYEES', OFFICERS', DIRECTORS', CONTRACTORS', OR SUBCONTRACTORS' (COLLECTIVELY IN NUMBERED PARAGRAPHS 2.1-2.3, "PRIME CONTRACTOR/SUPPLIER") ACTUAL OR ALLEGED NEGLIGENCE OR INTENTIONAL ACTS OR OMISSIONS;
- 2.2.2 THE CITY'S AND PRIME CONTRACTOR/SUPPLIER'S ACTUAL OR ALLEGED CONCURRENT NEGLIGENCE, WHETHER PRIME CONTRACTOR/SUPPLIER IS IMMUNE FROM LIABILITY OR NOT; AND
- 2.2.3 THE CITY'S AND PRIME CONTRACTOR/SUPPLIER'S ACTUAL OR ALLEGED STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY, WHETHER PRIME CONTRACTOR/SUPPLIER IS IMMUNE FROM LIABILITY OR NOT.
- 2.2.4 PRIME CONTRACTOR/SUPPLIER SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY HARMLESS DURING THE TERM OF THIS AGREEMENT AND FOR FOUR YEARS AFTER THE AGREEMENT TERMINATES. PRIME CONTRACTOR/SUPPLIER'S INDEMNIFICATION IS LIMITED TO \$500,000.00 PER

[5]

OCCURRENCE. PRIME CONTRACTOR/SUPPLIER SHALL NOT INDEMNIFY THE CITY FOR THE CITY'S SOLE NEGLIGENCE.

2.3 INDEMNIFICATION:

CONTRACTOR SHALL REQUIRE ALL OF ITS SUBCONTRACTORS (AND THEIR SUBCONTRACTORS) TO RELEASE AND INDEMNIFY THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE AND INDEMNITY TO THE CITY

3.0 INDEMNIFICATION PROCEDURES:

3.1 Notice of Claims. If the City or Prime Contractor/Supplier receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving party shall give written notice to the other party within 10 days. The notice must include the following:

3.1.1 a description of the indemnification event in reasonable detail,

3.1.2 the basis on which indemnification may be due, and

3.1.3 the anticipated amount of the indemnified loss.

3.2 This notice does not stop or prevent the City from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If the City does not provide this notice within the 10 day period, it does not waive any right to indemnification except to the extent that Prime Contractor/Supplier is prejudiced, suffers loss, or incurs expense because of the delay.

3.3 Defense of Claims

3.3.1 Assumption of Defense. Prime Contractor/Supplier may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the City. Prime Contractor/Supplier shall then control the defense and any negotiations to settle the claim. Within 10 days after receiving written notice of the indemnification request, Prime Contractor/Supplier must advise the City as to whether or not it will defend the claim. If Prime Contractor/Supplier does not assume the defense, the City shall assume and control the defense, and all defense expenses constitute an indemnification loss.

3.3.2 Continued Participation. If Prime Contractor/Supplier elects to defend the claim, the City may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations. Prime Contractor/Supplier may settle the claim without the consent or agreement of the City, unless it (i) would result in injunctive relief or other equitable remedies or otherwise require the City to comply with restrictions or limitations that adversely affect the City, (ii) would require the City to pay amounts that Prime Contractor/Supplier does not fund in full, (iii) would not result in the City's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

Within the 30 day period, Contractor shall provide other suitable policies in lieu of those about to be canceled, materially changed, or non-renewed so as to maintain in effect the required coverage. III. DUTIES OF CITY

1.0 PAYMENT TERMS:

- 1.1 The City shall pay and Contractor shall accept fees at the unit prices provided in Exhibit H for all services rendered and the Deliverables furnished by Contractor. The fees must only be paid from Allocated Funds, as provided below.
- 1.2 Any quantities of services or Deliverables shown in any part of this contract or its exhibits are estimated only and are not any guarantee that the City will not purchase more or less of those services or Deliverables. The City will pay only for the services or Deliverables actually ordered and only at the unit prices set out.

2.0 TAXES:

- 2.1 The City is exempt from payment of Federal Excise and Transportation Tax and Texas Limited Sales and Use Tax. Contractor's invoices to the City must not contain assessments of any of these taxes. The Director will furnish the City's exemption certificate and federal tax identification number to Contractor if requested.

3.0 METHOD OF PAYMENT:

- 3.1 The City shall pay Contractor on the basis of invoices submitted by Contractor and approved by the Director, showing the specific tasks completed in the preceding month and the corresponding prices. The City shall make payments to Contractor at its address for notices within 30 days of receipt of an approved invoice.

4.0 METHOD OF PAYMENT - DISPUTED PAYMENTS:

- 4.1 If the City disputes any items in an invoice Contractor submits for any reason, including lack of supporting documentation, the Director shall temporarily delete the disputed item and pay the remainder of the invoice. The Director shall promptly notify Contractor of the dispute and request remedial action. After the dispute is settled, Contractor shall include the disputed amount on a subsequent regularly scheduled invoice or on a special invoice for the disputed item only.

5.0 LIMIT OF APPROPRIATION:

- 5.1 The City's duty to pay money to Contractor under this Agreement is limited in its entirety by the provisions of this Section.
- 5.2 In order to comply with Article II, Sections 19 and 19a of the City's Charter and Article XI, Section 5 of the Texas Constitution, the City has appropriated and allocated the sum of **one million six-hundred and twenty-seven thousand one hundred and seventy-nine dollars and forty-four cents (\$1,627,179.44)** to pay money due under this Agreement (the "Original Allocation"). The executive and legislative officers of the City, in their discretion, may allocate supplemental funds for this Agreement, but they are not obligated to do so. Therefore, the parties have agreed to the following procedures and remedies.

[11]

- 5.3 The City makes a Supplemental Allocation by issuing to Contractor a Service Release Order, or similar form approved by the City Controller, containing the language set out below. When necessary, the Supplemental Allocation shall be approved by motion or ordinance of City Council.

"NOTICE OF SUPPLEMENTAL ALLOCATION OF FUNDS"
By the signature below, the City Controller certifies that, upon the request of the responsible director, the supplemental sum set out below has been allocated for the purposes of the Agreement out of funds appropriated for this purpose by the City Council of the City of Houston. This supplemental allocation has been charged to such appropriation.

- 5.4 The Original Allocation plus all supplemental allocations are the Allocated Funds. The City shall never be obligated to pay any money under this Agreement in excess of the Allocated Funds. Contractor must assure itself that sufficient allocations have been made to pay for services it provides. If Allocated Funds are exhausted, Contractor's only remedy is suspension or termination of its performance under this Agreement and it has no other remedy in law or in equity against the City and no right to damages of any kind.

6.0 CHANGES:

- 6.1 At any time during the Agreement Term, the City Purchasing Agent or Director may issue a Change Order to increase or decrease the scope of services or change plans and specifications, as he or she may find necessary to accomplish the general purposes of this Agreement. Contractor shall furnish the services or deliverables in the Change Order in accordance with the requirements of this Agreement plus any special provisions, specifications, or special instructions issued to execute the extra work.
- 6.2 The City Purchasing Agent or Director will issue the Change Order in substantially the following form:

<u>CHANGE ORDER</u>	
TO:	<i>[Name of Contractor]</i>
FROM:	City of Houston, Texas (the "City")
DATE:	<i>[Date of Notice]</i>
SUBJECT:	Change Order under the Agreement between the City and <i>[Name of Contractor]</i> countersigned by the City Controller on <i>[Date of countersignature of the Agreement]</i>
Subject to all terms and conditions of the Agreement, the City requests that Contractor provide the following:	
<i>[Here describe the additions to or changes to the equipment or services and the Change Order Charges applicable to each.]</i>	
Signed:	<i>[Signature of City Purchasing Agent or Director]</i>

- 6.3 The City Purchasing Agent or Director may issue more than one Change Order, subject to the following limitations:
 - 6.3.1 Council expressly authorizes the City Purchasing Agent or Director to approve a Change Order of up to \$50,000. A Change Order of more than \$50,000 over the approved contract amount must be approved by the City Council.
 - 6.3.2 If a Change Order describes items that Contractor is otherwise required to provide under this Agreement, the City is not obligated to pay any additional money to Contractor.
 - 6.3.3 The Total of all Change Orders issued under this section may not increase the Original Agreement amount by more than 25%.
- 6.4 Whenever Contractor receives a Change Order, Contractor shall furnish all material, equipment, and personnel necessary to perform the work described in the Change Order. Contractor shall complete the work within the time prescribed. If no time for completion is prescribed, Contractor shall complete the work within a reasonable time. If the work described in any Change Order causes an unavoidable delay in any other work Contractor is required to perform under this Agreement, Contractor may request a time extension for the completion of the work. The City Purchasing Agent's or Director's decision regarding a time extension is final.
- 6.5 A product or service provided under a Change Order is subject to inspection, acceptance, or rejection in the same manner as the work described in the Original Agreement, and is subject to the terms and conditions of the Original Agreement as if it had originally been a part of the Agreement.
- 6.6 Change Orders are subject to the Allocated Funds provisions of this Agreement.

IV. TERM AND TERMINATION

1.0 **CONTRACT TERM:**

- 1.1 This Agreement is effective on the Countersignature Date and expires three (3) years after the date specified in the Notice to Proceed unless sooner terminated according to the terms of this Agreement.

2.0 **NOTICE TO PROCEED:**

- 2.1 Contractor shall begin performance under this Agreement on the date specified in a Notice to Proceed from the City Purchasing Agent.

3.0 **RENEWALS:**

- 3.1 Upon expiration of the Initial Term, and so long as the City makes sufficient supplemental allocations, this Agreement will be automatically renewed for two successive one-year terms on the same terms and conditions. If the Director of the City Department elects not to renew this Agreement, the City Purchasing shall notify Contractor in writing of non-renewal at least 30 days before the expiration of the then-current term.

4.0 TIME EXTENSIONS:

- 4.1 If the Department requests an extension of time to complete its performance, then the City Purchasing Agent may, in his or her sole discretion, extend the time so long as the extension does not exceed 180 days. The extension must be in writing but does not require amendment of this Agreement. Contractor is not entitled to damages for delay(s) regardless of the cause of the delay(s).

5.0 TERMINATION FOR CONVENIENCE BY THE CITY:

- 5.1 The City Purchasing Agent or Director may terminate this Agreement at any time by giving 30 days written notice to Contractor. The City's right to terminate this Agreement for convenience is cumulative of all rights and remedies which exist now or in the future.
- 5.2 On receiving the notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement and cancel all existing orders and subcontracts that are chargeable to this Agreement. As soon as practicable after receiving the termination notice, Contractor shall submit an invoice showing in detail the services performed under this Agreement up to the termination date. The City shall then pay the fees to Contractor for services actually performed, but not already paid for, in the same manner as prescribed in Section III unless the fees exceed the allocated funds remaining under this Agreement.
- 5.3 TERMINATION OF THIS AGREEMENT AND RECEIPT OF PAYMENT FOR SERVICES RENDERED ARE CONTRACTOR'S ONLY REMEDIES FOR THE CITY'S TERMINATION FOR CONVENIENCE, WHICH DOES NOT CONSTITUTE A DEFAULT OR BREACH OF THIS AGREEMENT. CONTRACTOR WAIVES ANY CLAIM (OTHER THAN ITS CLAIM FOR PAYMENT AS SPECIFIED IN THIS SECTION), IT MAY HAVE NOW OR IN THE FUTURE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE CITY'S TERMINATION FOR CONVENIENCE.

6.0 TERMINATION FOR CAUSE BY CITY:

- 6.1 If Contractor defaults under this Agreement, the City Purchasing Agent or Director may either terminate this Agreement or allow Contractor to cure the default as provided below. The City's right to terminate this Agreement for Contractor's default is cumulative of all rights and remedies which exist now or in the future. Default by Contractor occurs if:
- 6.1.1 Contractor fails to perform any of its duties under this Agreement;
 - 6.1.2 Contractor becomes insolvent;
 - 6.1.3 all or a substantial part of Contractor's assets are assigned for the benefit of its creditors;
or
 - 6.1.4 a receiver or trustee is appointed for Contractor.
- 6.2 If a default occurs, the City Purchasing Agent or Director may, but is not obligated to, deliver a written notice to Contractor describing the default and the termination date. The City Purchasing Agent or Director at his or her sole option, may extend the termination date to a later

date. If the City Purchasing Agent or Director allows Contractor to cure the default and Contractor does so to the City Purchasing Agent's or Director's satisfaction before the termination date, then the termination is ineffective. If Contractor does not cure the default before the termination date, then the City Purchasing Agent or Director may terminate this Agreement on the termination date, at no further obligation of the City.

- 6.3 To effect final termination, the City Purchasing Agent or Director must notify Contractor in writing. After receiving the notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement, and promptly cancel all orders or subcontracts chargeable to this Agreement.

7.0 TERMINATION FOR CAUSE BY CONTRACTOR:

- 7.1 Contractor may terminate its performance under this Agreement only if the City defaults and fails to cure the default after receiving written notice of it. Default by the City occurs if the City fails to perform one or more of its material duties under this Agreement. If a default occurs and Contractor wishes to terminate the Agreement, then Contractor must deliver a written notice to the Director describing the default and the proposed termination date.
- 7.2 The date must be at least 30 days after the Director receives notice. Contractor, at its sole option, may extend the proposed termination date to a later date. If the City cures the default before the proposed termination date, then the proposed termination is ineffective. If the City does not cure the default before the proposed termination date, then Contractor may terminate its performance under this Agreement on the termination date.

- 8.2 An approval by the Director, or by any other employee or agent of the City, of any part of Contractor's performance does not waive compliance with this Agreement or establish a standard of performance other than that required by this Agreement and by law. EQUAL EMPLOYMENT OPPORTUNITY

1. The contractor, subcontractor, vendor, supplier, or lessee will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, or age. The contractor, subcontractor, vendor, supplier, or lessee will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, sex, national origin, or age. Such action will include, but not be limited to, the following: employment; upgrading; demotion or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training, including apprenticeship. The contractor, subcontractor, vendor, supplier or lessee agrees to post in conspicuous places available to employees, and applicants for employment, notices to be provided by the City setting forth the provisions of this Equal Employment Opportunity Clause.
2. The contractor, subcontractor, vendor, supplier, or lessee states that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, national origin or age.
3. The contractor, subcontractor, vendor, supplier, or lessee will send to each labor union or representatives of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer advising the said labor union or worker's representative of the contractor's and subcontractor's commitments under Section 202 of Executive Order No. 11246, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor, subcontractor, vendor, supplier, or lessee will comply with all provisions of Executive Order No. 11246 and the rules, regulations, and relevant orders of the Secretary of Labor or other Federal Agency responsible for enforcement of the equal employment opportunity and affirmative action provisions applicable and will likewise furnish all information and reports required by the Mayor and/or Contractor Compliance Officer(s) for purposes of investigation to ascertain and effect compliance with this program.
5. The contractor, subcontractor, vendor, supplier, or lessee will furnish all information and reports required by Executive Order No. 11246, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to all books, records, and accounts by the appropriate City and Federal Officials for purposes of investigations to ascertain compliance with such rules, regulations, and orders. Compliance reports filed at such times as directed shall contain information as to the employment practice policies, program, and work force statistics of the contractor, subcontractor, vendor, supplier, or lessee.
6. In the event of the contractor's, subcontractor's, vendor's, supplier's, or lessee's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part, and the contractor, subcontractor, vendor, supplier, or lessee may be declared ineligible for further City contracts in accordance with procedures provided in Executive Order No. 11246, and such other sanctions may be imposed and remedies invoked as provided in the said Executive Order, or by rule, regulation, or order of the Secretary of Labor, or as may otherwise be provided by law.
7. The contractor shall include the provisions of paragraphs 1-8 of this Equal Employment Opportunity Clause in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontractor or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event the contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
8. The contractor shall file and shall cause his or her subcontractors, if any, to file compliance reports with the City in the form and to the extent as may be prescribed by the Mayor. Compliance reports filed at such times as directed shall contain information as to the practices, policies, programs, and employment policies and employment statistics of the contractor and each subcontractor.

EXHIBIT "1"
PAY OR PLAY PROGRAM
EXECUTIVE ORDER 1-7

CITY OF HOUSTON

Executive Order

Subject: **City Contractors' Pay or Play Program**

E.O. No: **1-7 Revised**

Effective Date: **January 3, 2012**

1. AUTHORITY

- 1.1 Article VI, Section 7a, of the City Charter of the City of Houston; and City of Houston Code of Ordinance, Chapter 15.

2. BACKGROUND

- 2.1 Contractors that do not provide healthcare benefits for their workforce impose a burden on the public and private agencies that provide this care to uninsured persons in the City of Houston, Harris County and to individuals and businesses whose health insurance premiums increase because of the shifting of costs onto those payers.
- 2.2 The provision of health benefits is instrumental in attracting and retaining a good workforce and is a characteristic of a responsible contractor.
- 2.3 The City intends to enhance fairness in the competition for contracts between bidders that choose to offer a health benefit to their workforce and those that do not.

3. PURPOSE

- 3.1 To require certain contractors to provide to certain employees a minimal level of healthcare benefits or to contribute a designated amount to be used to offset the costs of providing healthcare to uninsured people in the Houston/Harris County area.
- 3.2 To establish the Pay or Play Program (Program) and the procedures for the administration thereof.
- 3.3 To authorize studies to evaluate the effectiveness and impact of the Program on contracting firms and the City.
- 3.4 To provide funding to the Mayor's Office of Business Opportunity (MOBO) to pay the actual costs of implementing, auditing, and monitoring compliance with this Order and related mandates.
- 3.5 To augment and enhance the goals and purposes of Chapter 15 of the City's Code of Ordinances by supplementing the measures authorized and/or required therein with the Program to enhance fairness in competition for City contracts. No provision of this Executive Order shall be construed to excuse compliance with any law or any procedure authorized by law.

4. SCOPE

- 4.1 Covered contracts – This Program applies to contracts for services in which the total expenditure by the City, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$100,000. The Program does not apply to:
- 4.1.1 Any contract in which the primary purpose is the procurement of property, goods, supplies, and/or equipment;
 - 4.1.2 An intergovernmental contract; or
 - 4.1.3 A contract awarded via an intergovernmental agreement or purchasing cooperative.
- 4.2 Covered subcontracts – This Program applies to subcontracts for services in which the total value of the subcontract, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$200,000. The Program does not apply to:
- 4.2.1 Any subcontract in which the primary purpose of the agreement is the procurement of property, goods, supplies, and/or equipment;
 - 4.2.2 An intergovernmental contract; or
 - 4.2.3 A contract awarded via an intergovernmental agreement or purchasing cooperative.
- The contractor is responsible to the City for compliance for covered employees of covered subcontractors.
- 4.3 This Executive Order applies to any contract for which solicitations for bids or requests for proposals are advertised on or after the effective date of this Executive Order.
- 4.4 Covered employees – This program applies to employees of a covered contractor or subcontractor, including contract labor, who are over age 18, work at least 30 hours per week and work any amount of time under a covered City contract or subcontract.
- 4.5 This Executive Order applies to all departments within the City of Houston.

5. PROCEDURES

- 5.1 Prior to the commencement of a covered contract, the contractor will declare its intent to comply with the Program and will submit a plan for compliance in the form and manner prescribed by the Mayor's Office of Business Opportunity, which shall serve as the Administrator of the Program.
- 5.2 Contractors will report to the City regarding the identity of covered subcontracts and covered employees working under subcontracts in the form and manner prescribed by the Administrator.
- 5.3 Pay – If the contractor elects to comply by paying, the contractor will pay to the City \$1 for each regular hour of work performed by covered employees, including covered employees of covered subcontractors. The Administrator will prescribe the time and form of payment. All payments to the City under this section shall be deposited in the Contractor Responsibility Fund, which shall not be used for any other purpose except to defray the costs of providing health care services to uninsured persons in the Houston area and the program administrative costs, as described in this Order.

- 5.4 Play – If the contractor elects to comply by playing, the contractor will provide documentary proof in a form acceptable to the Administrator that it provides health benefits to each covered employee, and that covered employees of covered subcontractors are provided health benefits. The health benefits must meet or exceed the following standards:
 - 5.4.1 The employer contributes no less than \$150 per covered employee per month toward the total premium cost; and
 - 5.4.2 The covered employee contributes, if any amount, no greater than 50% of the total monthly premium cost and no more than \$150 per month toward the premium. A contractor is deemed to have complied with this provision with respect to a covered employee who is not provided health benefits if the employee refuses the benefits and the employee's contribution to the premium is no more than \$40 per month.
- 5.5 Pay and Play – A contractor may pay on behalf of some covered employees and play on behalf of other covered employees, including subcontractors' covered employees.
- 5.6 Contractors will submit information regarding compliance with the Program in a form and manner prescribed by the Administrator.
- 5.7 In cooperation with the Administrator, all City departments shall implement procedures to facilitate the administration of the Program. This shall include, but not be limited to, the development of standards for management of data necessary to monitor the compliance by contractors and the establishment of accounting procedures to ensure accurate accounting for and disbursement of any monies collected from contractors.
- 5.8 In cooperation with the Administrator, the Legal Department shall develop language for inclusion in contracts that includes the obligation of covered contractors to meet the Program requirements and specifies the right of City personnel, including Controller's Office personnel, to examine the books and records of all contractors and subcontractors that relate to compliance with the Program.
- 5.9 All City employees, regardless of their assigned duties, shall support and assist in the success of the Program set forth in this Executive Order.
- 5.10 The Mayor's Office of Business Opportunities (MOBO), in consultation with the Legal Department, shall develop procedures to enforce compliance and remedy noncompliance by contractors.

6. IMPLEMENTATION AND OVERSIGHT

- 6.1 A portion of the Contractor Responsibility Fund shall be used to pay the actual costs of implementing the program, including but not limited to paying the salaries and benefits of the number of full-time employees approved by the Mayor to work on the Program and related issues.
- 6.2 In the event the balance of the Fund is insufficient to cover salaries and benefits due to contractors' decisions not to "pay" or the allocation of funds for other purposes, the positions funded by this Order shall be laid off pursuant to section 14-141.4 of the Code of Ordinances.
- 6.3 MOBO and the Finance Department shall cooperate in determining the funding for each fiscal year.

7. EXCEPTIONS AND WAIVERS

- 7.1 The City of Houston will award a contract to a contractor that neither Pays nor Plays if the contractor has received an approved waiver (Form POP-4 only City departments can request).
- 7.2 Contract or subcontract is appropriate for a waiver based on the following:
 - 7.2.1 Emergency – The contract or subcontract is a response to an emergency that endangers public health or safety.
 - 7.2.2 Essential – No other qualified responsive bidders comply with the requirements of the Pay or Play Ordinance and the contract or subcontract is for a service or project that is essential to the City or public.
 - 7.2.3 Adverse Impact – Compliance with the Pay or Play Program would cause an unreasonably adverse impact on the City's ability to obtain services or an unreasonably adverse financial impact on the City.
 - 7.2.4 Bulk Purchasing – The services to be purchased are available under a bulk purchasing agreement with federal, state, or local government entity.
 - 7.2.5 Intergovernmental/Interlocal Agreement/Purchasing Cooperative.
- 7.3 Back up documentation to support the waiver request must be submitted along with all waiver requests.
